

Yuri Gagarin, First Spaceman, Dies In Training Crash

MOSCOW (AP) — Handsome Soviet cosmonaut Yuri A. Gagarin, who flew the world's first manned space mission in April 1961, died in a training-flight crash Wednesday.

The crash also killed Col. Vladimir S. Seryogin, commander of an air unit and a member of the space backup team. The ashes of both Gagarin and Seryogin will be placed in the most honorable spot in the Soviet Union, the Kremlin Wall facing Red Square.

The news that the 34-year-old Soviet hero was dead plainly saddened many Russians. One radio announcer repeated the official report several times with deep emotion. The announcements were interspersed

with slow funeral music from Tchaikovsky and Scriabin.

No details were given about the crash.

Gagarin's death was the second tragedy known to have hit the Soviet space program within a year. Last April 24 Col. Vladimir M. Komarov was killed when his Soyuz spacecraft crashed to earth.

Nine U. S. astronauts have died in the line of duty.

Gagarin opened the book on manned space flight on April 12, 1961, when he shot skyward in his Vostok space capsule and orbited the earth once. The trip lasted 108 minutes and Gagarin landed apart from the capsule by parachuting to earth near the village of Smolovki.

On May 5 the same year the United States entered the space race with a suborbital flight by Alan B. Shepard Jr.

Gagarin's spectacular space flight propelled him from obscurity to the foremost rank of Russian celebrities. After his 1961 one-orbit trip Gagarin stood atop Lenin's Tomb in Red Square with then-Premier Nikita Khrushchev and began to mingle with the world's great—a vibrant youth alongside older leaders from many countries.

After World War II Yuri won admission to an industrial junior college at Saratov on the Volga River and learned to fly while attending school. He then went to the Soviet air force academy at Orenburg, and

graduated with top honors in 1957—year of the first Sputnik.

The young pilot married a quiet, pretty medical technician, Valentina, who is now 33 years old. She survives along with their two daughters, Yelena, 9, and Galya, 7.

Gagarin's fame as a pioneer of the space age changed his life in many ways, and yet he re-

mained a hard-working cosmonaut. He was the control officer on subsequent manned space flights and played important roles in the space program.

He became a member of the Supreme Soviet, or Parliament, and a delegate to important meetings of the Soviet Communist party, which he had joined in 1960.

B52s Hit New Red Buildup Of Threat To Hue

SAIGON (AP) — U.S. Air Force B52 jet bombers pounded North Vietnamese supply depots and command centers in the A Shau Valley west of Hue today with hundreds of tons of high explosives in an effort to blunt a new enemy buildup threatening the former imperial capital.

Thirty-five eight-engine Stratofortresses flew five separate missions against the valley 50 miles west of Hue, raining nearly 2 million pounds of bombs on the North Vietnamese positions.

The bombers, flying at more than 20,000 feet and unseen from the ground, mounted three raids Wednesday afternoon on truck parks, gun positions, bunkers and storage depots in the valley. They returned this morning for two more missions.

Lull At Khe Sanh

During the same period, the B52s flew two missions against North Vietnamese ammunition depots and troop concentrations around Khe Sanh. For the third consecutive day, Marines at Khe Sanh reported a relatively light shelling, fewer than 100 rounds. Marine casualties were reported as light.

The B52s have been averaging about five missions a day in support of Khe Sanh.

Russian trucks have been spotted regularly in recent weeks moving from the A Shau Valley toward Hue with ammunition and other war materials.

Lt. Gen. Robert E. Cushman, commander of the northern 1st Corps, said North Vietnamese engineers have rebuilt much of old provincial Route 547 running 40 miles over mountains from the A Shau Valley to Hue.

Key To Coast Area

The valley has served as a massive enemy supply depot on the Ho Chi Minh network of trails from Laos since North Vietnamese troops overran the U.S. Special Forces camp there two years ago.

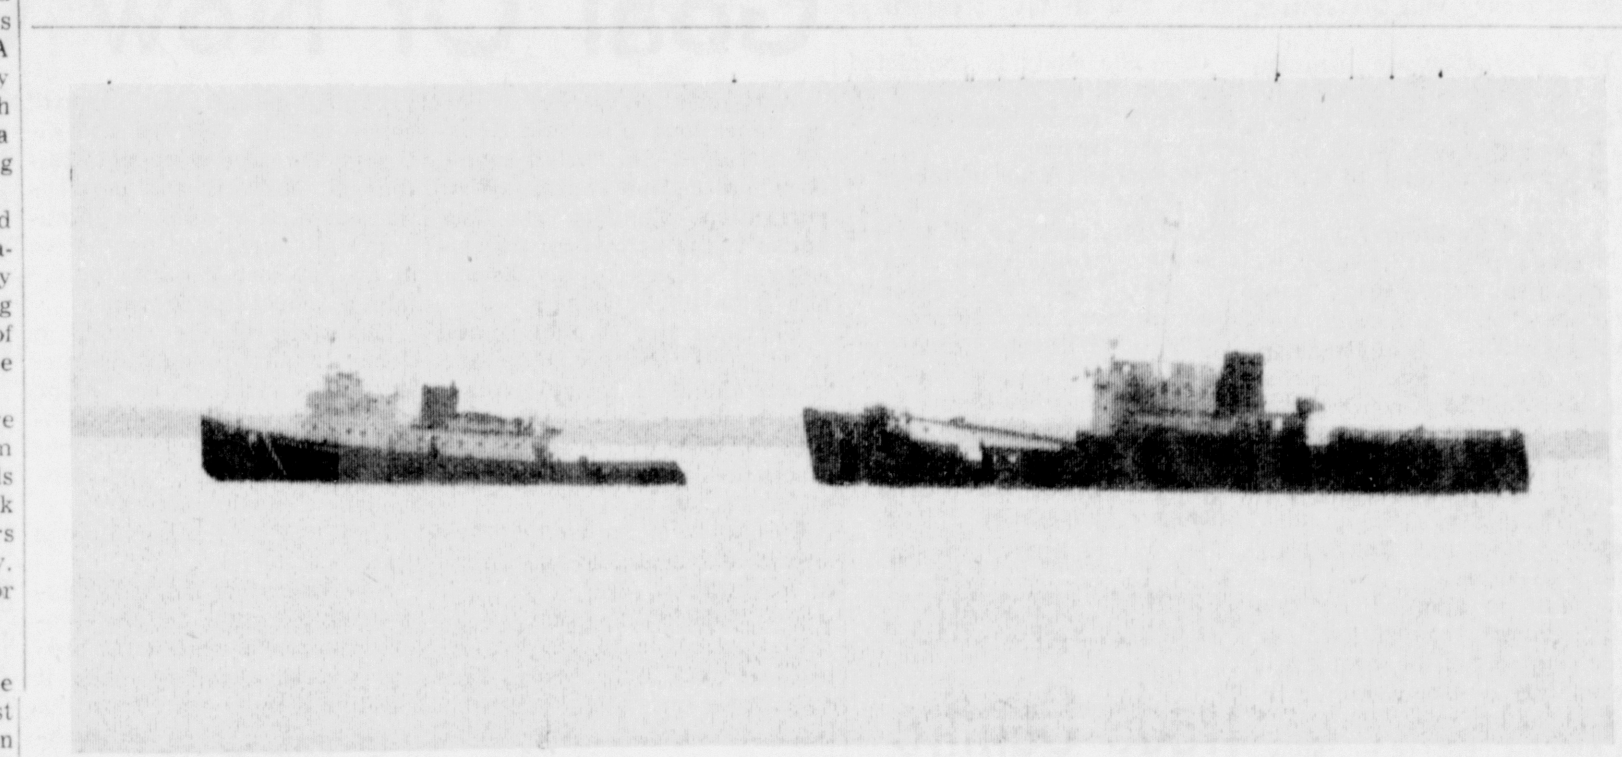

In early March, the top U.S. commanders in Vietnam predicted the North Vietnamese would strike again at Hue because the Communist command feels it is the invasion gateway along the coastal plains to South Vietnam.

Elsewhere the U.S. command announced that 1,989 Viet Cong have been killed in the biggest allied offensive of the war around Saigon.

Latest reports said an American task force of tanks and in-

House Votes \$375 Million State School Aid Measure

THE COAST GUARD CUTTER Mesquite Surgeon Bay, and the harbor tug Raritan, Milwaukee, churned through ice in Little Bay de Noc this morning, opening the harbor

for commercial shipping at the earliest date in several years. First iron ore boat is expected Sunday. See story — Page 12. (Daily Press Photo)

Low-Valuation Districts Get Most Benefits

LANSING (AP) — House Republicans stood firm Wednesday against Democrat attempts to amend the \$375 million state school aid bill, before the chamber gave the big bill 92-13 approval.

Meanwhile, the Senate wrapped up work on its half of the fiscal 1968-69 budget bills, passing and sending to the House capital outlay and mental health spending measures.

The Senate now has approved and sent to the House bills making up \$540.3 million of a \$1.319 billion fiscal 1968-69 general fund budget recommended by Appropriations Committees.

The recommendations are some \$15 million less than the \$1.334 billion budget recommended by Gov. George Romney.

The three bills approved by the Senate Wednesday included two which complete a three-bill capital outlay package worth \$72.3 million.

OK Mental Health Bill

They provide money for new construction, planning and land acquisition by state institutions, including \$40.4 million for state colleges and universities.

The third would allocate \$150.7 million to the Department of Mental Health.

The school aid bill, a major slice of the anticipated budget, would give the state's public schools a \$59.9 million aid boost, about \$5 million more than Romney recommended.

Low-valuation school districts and schools of poverty areas would reap most of the benefits from the proposed aid increase. The bill, which makes extensive changes in the school aid formula, now goes to the Senate.

Several Democrats tried to amend the bill on the floor, but were rebuffed by a near-solid Republican front.

An attempt to provide extra school aid to Detroit and other cities with local income taxes was defeated 27-76.

Democrats Ruled

"We think we deserve a little more courtesy on some of these amendments," snapped Democrat Albert Horvath of Flint after the House refused even to vote to second several Democrat-sponsored amendments.

The House bill replaces the current two-formula aid system with a graduated scale, giving most of the aid increase to districts with low per-pupil State Equalized Valuation SEV.

For example, a district in which the taxable property amounted to only \$5,000 per school child would receive a state aid increase of \$50.62 per pupil.

A richer district, where the per-pupil SEV is \$25,000, would receive an increase of only \$10.51 for each child enrolled.

Extra For Sums

Also new in this year's bill is a \$6.3 million formula designed to give extra state money to schools in urban slums.

The money would be apportioned according to such factors as number of welfare recipients in the school area and the number of broken homes, minority group members, and substandard housing. Density of school-age population and pupil achievement levels also would be considered.

The ceiling on state aid for student transportation is raised from \$18.5 million to \$22.0 million, that for special education from \$28 million to \$30 million and that for remedial reading programs from \$3 million to \$5 million.

Sponsors of the bill said the nearly \$60 million increase was

Kennedy Enters Indiana Primary

By The Associated Press

Sen. Robert F. Kennedy enters his fourth presidential primary today—Indiana's—and politics is heavy in Wisconsin where that primary is only five days away.

The New York Democrat also already is entered in the primaries in Nebraska May 14, Oregon May 28 and California June 2.

Kennedy reached the decision in Utah Wednesday to enter Indiana's May 7 primary. He flies to Indianapolis tonight to file, making stops for campaign speeches along the way.

The New York senator's entry will make Indiana the first official battleground between Kennedy and rival anti-Vietnam war policy candidate Sen. Eugene J. McCarthy.

A stand-in for President Johnson, Indiana Gov. Roger D. Branigin, also is in the ballot.

Republican candidate Richard M. Nixon went on the Indiana ballot Wednesday. He'll be the only Republican on the ballot if no others meet the midnight deadline tonight.

Wisconsin Crowded

In Wisconsin, meanwhile, Nixon, McCarthy, Republican Harold Stassen and a host of admin-

U.S. Rejects Sold As Quality Food

WASHINGTON (AP) — After government school lunch inspectors rejected 30,000 pounds of frozen turkey because it had thawed, the turkey was refrozen, thawed again to permit new labeling, refrozen once more and sold to supermarkets in New York City.

That incident was one among many turned up by a special House Government Operations subcommittee in an investigation to determine how often sub-standard goods turned back by government purchasing agents are peddled to unsuspecting consumers as quality merchandise.

The subcommittee, headed by Rep. Benjamin S. Rosenthal, D-N.Y., will open public hearings on its findings within a month.

A member of the subcommittee staff said the investigation began after one of Rosenthal's constituents complained about the unusual bitterness of some coffee she had bought at a grocery in Queens.

Plan Hearings

The subcommittee spokesman said the coffee had been recalled from commissaries after authorities learned it was five

years old, the government couldn't return the shipment to the processor; he had gone bankrupt. So it sold the coffee to commercial suppliers, who resold it to retailers without changing the military label.

Will Testify

The subcommittee spokesman refused to identify any of the individuals involved in the investigation, but said they would be summoned to testify.

Among cases to be examined at the hearings are two others

Tricentennial At Soo Sparks Beard Growing

SAULT STE. MARIE (AP)—

On the face of the matter, it's obvious Sault Ste. Marie men are looking forward to the beard-growing contest in the city's 300th anniversary celebration.

"Beard Fever" in the Upper Peninsula city is reported by officials of the Sault Tricentennial.

Fuzzy-faced high school kids, oldtimers, businessmen and scores of others have stopped shaving, the officials said. Some put away their razors last Christmas.

And the official whisker growing season doesn't begin until May 5.

From May 5 to August 25 every male resident of the Sault capable of sprouting facial adornment must have a handlebar, Van Dyke, goatee, muttonchop, Lincolnque, beatnik, Bolshevik or other kind of hairy face.

Otherwise he faces "dire penalties" from a Kangaroo Court which has been named to deal justly with smoothies.

Two State Men Killed In Action

WASHINGTON (AP) — Two Michigan soldiers were among the list released Wednesday by the U. S. Defense Department of 55 U. S. servicemen killed in action in Vietnam.

They were Spec. 4 James E. Blaauw, son of Mr. and Mrs. Fred Blaauw of Grayling, and Pfc. Julius Maddox, son of Mrs. Delores A. Smith of Detroit.

Today's Chuckle

Any government that is big enough to give you everything you want is big enough to take everything you have got.

involved frozen foodstuffs. The spokesman gave these details:

—The Defense Department rejected 18,563 frozen dinners because their bacteria count was too high. A federal inspector said he wouldn't put the food in his freezer, much less eat it. But the processor salvaged some of his investment. He sold the dinners, at a discount, to his own employees.

Clothing Involved

—Another 30,000 pounds of frozen turkey, purchased by the Department of Agriculture, had thawed by the time it reached its destination. The department promptly shipped it back to the packer, who just as promptly refroze the meat and sold it again—half to the Defense Department and half to the North Carolina prison system.

An expert at the Agriculture Department said meat which is thawed and then refrozen can be dangerous. Bacteria begins forming as soon as the meat thaws and will survive refreezing, he said.

Planners Meet

DETROIT (AP) — Some 300 planners and other public officials are attending the annual spring conference of the Michigan Society of Planning Officials. The conference began today and is being held through Friday at the Pick-Fort Shelby Hotel in Detroit.

Planes Collide; Two Are Killed

ST. LOUIS (AP)—A flash of light and a slight bump were the most apparent signs to 44 passengers aboard an Ozark Air Lines DC-9 that their plane had collided Wednesday night with another aircraft. Two men in a single-engine light plane died as it plunged to the ground.

"Everyone knew what had happened," said Paul J. Rodgers, an Ozark executive who was a passenger on the flight. "Everyone was stunned."

Rodgers said there was no panic aboard the jet, which landed safely at Lambert-St. Louis Airport.

The collision ripped the right wing of the plane and ruptured a fuel tank. Capt. Russell Fitch, a 17-year veteran with Ozark, brought the jet in for a normal landing except for fuel streaming from the ruptured wing tank. The jet was en route from Chicago and Peoria to St. Louis.

The tail assembly of the single-engine Cessna 150 fell on the parking lot of the Specialty Tool Co. in the St. Louis suburb of Hazelwood, Mo. Other pieces of the plane were scattered over a wide area surrounding the lot.

The Cessna carried Bob Allen of Piedmont, Mo., a flight instructor employed by Interstate Airmotive, and John Brooks, 34, of Hazelwood, who held a commercial pilot's license, but was working on an advanced license.

A witness, Ron Smith, manager of the village Square Service Center in Hazelwood, said: "It looked like the little plane was sucked right up into the big one. Whoever was piloting the big plane ought to get a gold medal because he sure straightened it up."

Rodgers said the collision is the first such incident in Ozark's 17-year history.

Federal Aviation Agency officials began an investigation.

The ceiling on state aid for student transportation is raised from \$18.5 million to \$22.0 million, that for special education from \$28 million to \$30 million and that for remedial reading programs from \$3 million to \$5 million.

Sponsors of the bill said the nearly \$60 million increase was

LBJ Fights Tax Tie To Cuts In Spending

WASHINGTON (AP) — The administration reportedly is pushing hard for defeat of a proposal before the Senate that would combine a 10 per cent income tax surcharge with a \$6 billion spending cut.

Senate Democratic leaders hoped to defeat the proposal—an amendment to the administration's excise-tax bill—in time to assure final action on the House-passed excise measure by today.

That timetable would pave the way for getting the main bill to President Johnson for his signature before excise taxes on cars and telephones expire at midnight Sunday.

Tax Air Travel

In the House, Chairman Wilbur D. Mills, D-Ark., of the Ways and Means Committee said President Johnson's proposed tourist tax could be revived if the administration couples it with some kind of tax on imports.

The committee approved a bill imposing a 5 per cent tax on airline tickets for all flights abroad and reduced for 18 months the duty-free exemption for returning travelers from \$100 to \$10.

Johnson's original tourist tax proposal, held up by the committee, is designed to help combat the balance of payments deficit. It involves a graduated levy on daily spending outside

the Western Hemisphere. A co-sponsor of the taxes-spending curb amendment said the administration is working hard against the proposal.

Trouble In House

Sen. John J. Williams, R-Del., said administration forces "were wavering for a while and I couldn't find out where they stood. But I called one of their top officials and he told me they were definitely against it."

Williams added he had always felt the administration would fight the spending cut.

In addition to any administration opposition to the budget slash, the surcharge part of the amendment is likely to run into trouble in the House if it clears the Senate.

House Ways and Means Committee members, who normally handle tax legislation before the Senate does, have made clear they are against the Senate taking initial action on a revenue proposal.

Stevens Retires

LANSING (AP) — Rep. J. Harold Stevens, R-Detroit, the first Republican to be elected to the House of Representatives from Detroit in 19 years, has announced he will retire at the end of his present term.

Stevens, who marked his 73rd birthday last week, said he is retiring for personal reasons.

Delta GOP Puts 'Favorite Son' Tag On Romney

Delta County Republicans in convention Wednesday night in Escanaba joined with other party faithful in supporting and endorsing Gov. Romney as its "favorite son" candidate although the Governor has withdrawn from the presidential race.

The Associated Press reports that GOP stalwarts around the state are still loyal to Gov. Romney but have adopted a "wait and see" attitude as far as the national GOP presidential candidate is concerned.

While a few delegations declined to endorse Romney as a favorite son candidate, there appeared to be none that took up the banner for other GOP hopefuls, such as former Vice President Richard M. Nixon.

Support Romney

Nineteen of Michigan's 20 Republican state senators have already lined up behind Nixon as a presidential candidate since Romney withdrew from the race a month ago.

The GOP state convention will be held in Cobo Arena, Detroit, on April 26-27, and the local conventions results indicate that the state convention will choose a delegation favorable to Romney on the first ballot. Romney is also expected to be Michigan's favorite son at Miami in the national convention in August.

The Delta County Republican convention adopted a resolution noting Gov. Romney's accomplishments, and urged all delegates and alternates to the state convention to endorse Romney as their favorite son; and urging all delegates to the national convention to support and endorse him as a candidate.

Delegates Named

The Delta County Republicans also adopted a resolution

Nurse Program At NMU OK'd

LANSING (AP) — The State Board of Education Wednesday approved the start of a nursing degree program next September at Northern Michigan University, Marquette.

It will be the first degree-granting program for nurses in the Upper Peninsula.

The board also authorized a study to determine if there is a need for a teacher education program at Michigan Technological University, Houghton.

It is estimated the nursing program at Northern Michigan will cost \$25,000 for the first year of operation.

The approval followed a State Education Department staff report that there is a critical shortage of registered nurses in Michigan. The report said future needs for nurses will increase at a faster rate than qualified nurses can be graduated from the seven universities now offering such courses.

The board voted to ask that four experts be appointed as a team to visit Michigan Tech to determine if the university can provide a teacher education program and if the program is needed.

Once the study is completed, the committee will make a report and recommendations to the state board.

Recommended as members of the study group were Dr. Leland Dean, director of teacher education at Michigan State University; Dr. Vito Perrone, dean of common learning at Northern Michigan University; Dr. Robert Reeve, science education director at Ferris State College, and Dr. Orville Eaton, chairman of the Department of Library Science at Central Michigan University.

Arabs-Israelis Trade Gunfire

TEL AVIV (AP) — Israeli and Arab forces blazed at each other across the Jordan River today in an hour-long battle, the Israeli army reported.

There were charges from Arab quarters that Israel was engaged in a massive troop and equipment build-up both in the Israeli-held Sinai Desert of Egypt and on the Jordanian front.

An Israeli spokesman charged that Arab positions on the east bank raked Israeli troops with machine-gun fire this morning north of kibbutz Ma'Oz Hayim in the Beisan Valley.

Israeli positions returned the fire, although the spokesman did not say how heavy the exchange was.

There were no Israeli casualties, the spokesman said.

Saboteurs were active in the exposed valley late Wednesday night when several explosive charges damaged a water pump in kibbutz Hamadiya, the army said.

Today's cross-river gun battle, which followed a brief lull in action along the tense border, was the fifth clash since last week's sweep along the Jordanian bank.

Hop beer owes its special flavor to a yellow resinlike material called lupulin.

Your City Councilman, April 1st
Paid Political Adv.

OFFICERS OF THE Escanaba Area Educational Planning Council, from left, Ralph Tippet, George Frantz, Arthur Laughbaum and Mrs. Blanche Christie, lead a discussion on curriculum improvements in the school system at a meeting of the council Wednesday at the School Administration Building. The council meets regularly to discuss school programs. (Daily Press Photo)

School Improvements Goal Of New Council

A 24-member, teacher-oriented Educational Planning Council designed to "bring unity, coordination and continuity" to curriculum planning has been added to the permanent organizational pattern of the Escanaba Area public schools.

Ultimate aim of the council is to bring about change and improvements in the curriculum by encouraging discussion and study of ideas from teachers and recommendations by the Board of Education.

Formation of the council was approved recently by the Board of Education.

Officers Named

Throughout the district, teachers have been divided into committees according to grade level and subject. The committees, in turn, elect their own officers. Chairmen of the teacher committees form the planning council.

Low-Valuation Districts Get Most Benefits

(Continued From Page One)

of enough to meet the state's school needs, especially those of districts already in financial trouble.

"But," said one, "that was all the money we had."

In other action Wednesday, the House approved one bill dealing with pistols but defeated another.

Passed 96-1 was a bill providing a person falsifying an application for a pistol permit could be prosecuted under the state's forgery laws.

But a measure, opposed by State Police, which would permit cities and other local units to keep and dispose of guns confiscated by their policemen, failed 40-59.

To Protect Fish

Such weapons now must be turned over to State Police. Col. Fredrick Davids, State Police director, said the House bill would have interfered with his department's centralized firearm records and increased the danger that unsafe pistols would end up back in private use.

Approved 96-1 and sent to the Senate was a measure giving the State Conservation Department authority, in cases where a species of fish appears endangered, to regulate taking of the species on the Great Lake and connecting waters. The department now has such power over inland waters.

Induct Members Into Radio Club

The Delta County Radio Club in a recent meeting elected Norbert Linden of 1403 Washington Ave. as its new public relations officer. Additional members were also inducted.

Meetings will be held at Bay de Noc Community College the second and fourth week of each month, and interested persons are invited to call 786-2549 or 786-2935 for further information.

A member of the Radio Club, observing a traffic accident in Escanaba at 23rd and Ludington last night used his radio to summon help and call police to the scene.

"This makes the council solely teacher oriented and although the superintendent (Luther M. Barrett) and curriculum coordinator (Vernon Ihlenfeldt) are members, they serve in an advisory capacity only," said a school spokesman.

Chairman of the council is George Frantz, science instructor. Other officers are Ralph Tippet, vice chairman-elementary; Arthur Laughbaum, vice chairman-secondary, and Mrs. Blanche Christie, secretary.

They will hold office for one year.

Most educators feel that educational planning, in any system, must be a continuous process and in order to make it effective it must come from the "grass roots" level — the teacher who is the specialist.

Through the council, a better avenue of communication between the teacher and administration is established.

Teachers set up their own agendas and discuss curriculum related items such as textbook adoptions, parent conference days, standardization of materials and supplies and trading of teaching ideas.

Reports Prepared

When studies are necessary which would involve more than a single committee, the council chairman can take a

Cable-TV Will Feature College Review Tonight

A special program marking the 5th anniversary of Bay de Noc Community College's founding April 1, 1963, will be broadcast from 6:15 to 7 p.m. Thursday on American Cablevision's channel 4.

Dr. Richard Rinehart, college president, said that the program is intended as a report to the people of the area on past, present and future plans of the college.

The program will include a pictorial history of the college narrated by Pam Malinowski; a discussion of the college's future featuring Harold Vanlerberghe, chairman of Friends of the College, Rinehart, Carl Anderson, Don DeKeyser and Wendy Erickson, and an interview of two students (Jim Reese and Sue Karnitz) interested in the educational opportunities of the college by Dr. William Butt, academic dean.

New Small Ford Due Next March

DETROIT (AP) — Ford Motor Co. has a subcompact car, code-named the Delta, slated to hit the market in March of next year, according to Ward's Automotive Reports, an auto industry trade publication.

Company spokesman had no comment on the report.

Ward's said the car will have a 103 - inch wheelbase, five inches shorter than the Ford Falcon, will be 176 inches long, 69 inches wide and 52 inches high.

It said the car is to be initially available in a two-door sedan. It will be powered by a 170 - cubic - inch, six-cylinder engine, with a 200 - cubic - inch six offered as an option, Ward's said.

It reportedly would have unit body construction, with 54.7-inch shoulder room front and back, 37.5-inch head room in the front with one half inch less in the rear seat area.

Ward's said the Delta is expected to sell for less than \$2,000, with speculation that it would sell for \$1,700-\$1,800.

Ward's said the car is slated for production at Ford of Canada's new St. Thomas, Ont., plant, where Falcon cars now are being built.

The Delta is set for introduction in March of 1969, according to Ward's.

General Motors and American Motors also are reported to have subcompact cars in the works for upcoming model years, Ward's said.

It reportedly would have unit body construction, with 54.7-inch shoulder room front and back, 37.5-inch head room in the front with one half inch less in the rear seat area.

The Delta is set for introduction in March of 1969, according to Ward's.

General Motors and American Motors also are reported to have subcompact cars in the works for upcoming model years, Ward's said.

It reportedly would have unit body construction, with 54.7-inch shoulder room front and back, 37.5-inch head room in the front with one half inch less in the rear seat area.

Ward's said the Delta is expected to sell for less than \$2,000, with speculation that it would sell for \$1,700-\$1,800.

Ward's said the car is slated for production at Ford of Canada's new St. Thomas, Ont., plant, where Falcon cars now are being built.

The Delta is set for introduction in March of 1969, according to Ward's.

Assault Victim Praises Police

Escanaba city police and Gladstone State police received a public "thank you" today from Francis Petras, 32, of Green Bay, for their quick capture of the man who slugged and robbed him in Escanaba March 21.

Held for armed robbery was Charles E. Hayes, 28, who police said had escaped from a mental hospital in San Bernardino, Calif., on Feb. 16.

Petras, the father of six children, was held up at gun point, struck on the head, and robbed in his room at the Pioneer Motor Inn.

Hayes was taken into custody about 15 minutes later at Rapid River. Petras in a letter to the Daily Press wrote:

"I would like to publicly express my appreciation to the Escanaba police and Michigan State Police for their actions in my behalf."

"The people of Escanaba can be very proud of the efficient and effective police work that resulted in the capture of my assailant, who had been a fugitive since Feb. 16, and had been in many other areas without being caught."

"I am also appreciative of the consideration shown me by the staff of St. Francis Hospital, the owners of the Pioneer Motor Inn, and the very fine Dr. James Gordon who attended me. May God bless all of you."

Hayes, who was described to police by doctors at the mental hospital in San Bernardino as dangerous because of his past criminal record, is now held in the Delta County jail on \$5,000 bond.

He is to be in Municipal Court for preliminary hearing on April 2 and has asked for legal counsel.

Hayes is also named in war-

rants at Prentice, Wis., for attempted murder and armed robbery.

At Prentice on Thursday afternoon, a few hours before Petras was attacked in Escanaba, Mrs. Gladys M. Hettler, 27, was beaten, strangled and stabbed at her farm home. She is reported recovering.

Hayes has been charged with the assault, and authorities are also checking at other Western points along the route Hayes may have followed to Wisconsin and Michigan.

Czech Leaders Debate Reform

PRAGUE (AP) — The Central Committee of the Czechoslovak Communist party opened an historic meeting today to debate sweeping political and economic reforms.

The meeting began on the heels of an unprecedented East German attack on the new, liberalizing movement here which provoked a stiff Czech protest.

The 110 members of the Central Committee were handed the draft of a bulky "action program" that envisages full individual freedoms for Czech citizens, political changes that will include "no confidence" votes against the government and an economic policy that borrows heavily from the West.

Among those attending the meeting in the ornate 16th Century Spanish Hall of Prague Castle were reformist party leader Alexander Dubcek and Stalinist Antonin Novotny, whom Dubcek ousted from the party leadership in January and won the presidency last week.

As committee members gathered, the Czech news agency CTK announced that the committee's presidium had recommended Gen. Ludvik Svoboda, 72, as Novotny's successor as president. The choice will be made Saturday by the National Front, which includes the Communist party, the Socialist party and the (Catholic) People's party.

Plan U.P. Meet On Highway Need

WASHINGTON (AP) — Rep. Philip Ruppe, R-Mich., said Wednesday Gov. George Romney has agreed to a conference on highway and transportation needs for northern Michigan.

Responding to Ruppe's request for a conference, Romney said he agreed the Upper Great Lakes Regional Commission should consult with residents of the Upper Peninsula before finally adopting a highway plan. Ruppe said he hopes the conference will be held this spring.

CEREMONIES MARKING formation of Cub Scout Pack 414 were conducted Tuesday night at the Franklin School by officers and leaders of the Pack. A total of 47 boys and parents were inducted into Cub Scouting. Officers of the pack are, from left, Ernest Belanger, treasurer; John Slapp, secretary; William Elliott, advancement chairman; Al Holtien, public relations chairman; Alan Flagstad, cubmaster, and Larry Curran, pack chairman. Kentucky Bars Bias In Housing

FRANKFORT, Ky. (AP) — With a minimum of fanfare, Kentucky has become the 23rd state in the Union and the first south of the Ohio River to bar racial discrimination in the sale and rental of housing.

Gov. Louie B. Nunn let the bill, which sailed quietly through the legislature, become law at midnight Wednesday without his signature.

The governor had explicitly opposed open housing during his campaign last year but had not made his opposition evident during the legislative session which ended March 15.

The law prohibits racial, ethnic or religious discrimination in the sale or rental of housing by real estate agents.

Exempted, however, are apartment buildings having as many as four units if the owner lives in one of the units, or rental of six or fewer housing units if the owner does not act through an agent.

Enforcement will be left to the Kentucky Human Relations Commission which is authorized to investigate complaints of discrimination and seek court orders, if necessary, to enforce the law.

Report Loss Of F111 On Viet Raid

WASHINGTON (AP) — One of the United States' controversial F111 fighters is overdue on a bombing mission in Southeast Asia and presumably lost, it was learned today.

A squadron of the 1500-mile-an-hour F111s arrived in Thailand March 17.

The supersonic, swing-wing fighters cost several million dollars each.

Sources said the F111 and its two-man crew was en route from Thailand to a bombing mission over North Vietnam Wednesday. The plane has not been heard from since.

It was understood the last radio transmission from the crew came while the plane was over Laos, which lies between Thailand and North Vietnam.

Search operations have turned up no trace of the fighter-bomber.

Sources indicated the Pentagon had no word on what may have happened to the F111.

Six of the F111s had only recently been based at Ta Khil, Thailand.

The first combat mission was flown only three days ago when the variable-sweep-wing craft struck against bivouac and truck and storage areas in the

Market Posts Advance Today

NEW YORK (AP) — The stock market continued to advance early today in active trading.

The Dow Jones Industrial Average rose 1.39 to 837.96 at the end of the first hour.

A total of 2,564,650 shares were traded in the first 60 minutes.

Gains continued to lead losses by a better than 2-to-1 average.

Fractional gains were scored by Jones & Laughlin, Goodrich, Raytheon, Hooker Chemical, Union Carbide, Avnet, International Paper and Mead.

Opening blocks included: Piper Aircraft, off 1 at 48 1/2 on 35,000 shares; Consumers Power, off 1/4 at 37 1/2 on 40,000 shares, and General Motors, unchanged at 73 1/4 on 6,500 shares.

Brokers cited an easing of concern over the Vietnam and international monetary situations as helpful.

Prices were irregularly higher on the American Stock Exchange. Fractional gains were made by Aerojet, Edo and Kaiser Industries.

Price Of Gold Drops In Paris

PARIS (AP) — The price of gold continued to drop on the free Paris market today, settling at \$38.86 an ounce, its lowest point in a week. Gold was traded at \$40.22 an ounce Wednesday.

Market analysts said the falling price was due to uncertainty about South African plans on selling newly mined gold. Many traders were said to be hedging against the possibility of South Africa's shipping new gold to the Continent, where its abundance would keep prices down.

Other considerations affecting trade, analysts said, were the scheduled opening of the London gold market next Monday and the Stockholm meetings of the Group of 10 this weekend when the 10 richest nations in the non-Communist world are to review proposals to finish the role of gold in international trade.

Right Wingers Gain Nothing, Declares Elly

LANSING (AP) — Republican State Chairman Elly Peterson said today conservatives gained nothing at Wednesday night county conventions and called on them to "stop their futile effort to splinter our party."

"The ultra conservatives gained nothing in last night's conventions which elected delegates to the Republican state convention scheduled for next month," Mrs. Peterson said.

She added that control of the party has been solidified in the hands of the moderate Republican organization.

"The Republican party of Michigan is still the party of the people and the people definitely have demonstrated that they will not accept the ultra right wing conservative element that has once more been defeated in its attempt to seize control of the party," she said.

Hearing, Vision Clinic Dates Set

Details on the Hearing and Vision screening program to be offered for children by the Delta-Menominee District Health Dept. were announced today.

The program will be for children born between Dec. 1, 1963, and Dec. 1, 1965, who will not be entering school this fall.

Tests will begin April 1 and continue through May 31 in both Delta and Menominee Counties. Screening in Menominee County will be on Tuesdays with the Delta County program on Wednesdays.

Hours in the Delta County Building will be from 8:30 to

11:30 a.m. and from 1 to 4 p.m. In Menominee, screening tests will be offered from 8:30 to 11 a.m. and from 1 to 3:30 p.m.

No appointments are needed. The screening program identifies children who may need help and referral for examination and diagnosis.

"Pre-school children may have a vision or hearing problem and not know it," said Dr. Mary Cretens, director. "Children would not be able to tell parents that their vision is blurred or that their hearing is muffled because they would accept this as normal. The children could not complain because they would not know something is wrong."

Dr. Cretens said many of the problems that affect children can be corrected with early detection and urged parents to take advantage of the clinic.

Offices Broken Into; \$4 And Checks Missing

The office of the Culligan Water Conditioning Service, 1008 N. 21st St., was broken into last night by a thief who made off with a billfold, about \$4, and some checks, city police reported today.

Escanaba police are also investigating at the Capitol Business Services office, where some blank checks are missing after an intruder entered sometime before 11:40 p.m. Wednesday. The door may have been left unlocked, police said.

Obituary

FREDRIK THORBJORNSEN

Funeral services for Fredrik Thorbjornsen have been completed as follows: Friends may call at the Anderson Funeral Home from 4 to 9 p.m. Friday and the body will be removed to the Immanuel Lutheran Church at 10 a.m. Saturday. Funeral services will be conducted at 11 a.m. with Rev. Roger Patrow officiating and burial will be in Lakeview Cemetery.

Civil Defense Course Planned

Mason Johnson, Delta County Civil Defense director, announced today that a radiological monitoring course for instructors will be offered April 18-19.

Completion of the course qualifies students to become radiological monitors.

Johnson said persons wishing to take the course should have completed the personal and family survival course offered by the Civil Defense office. The survival course is being offered Tuesday and Thursday in room 204 of Bay de Noc Community College.

Details on either course are available from the Civil Defense office in the Delta County Building.

COLORS AND ANIMALS

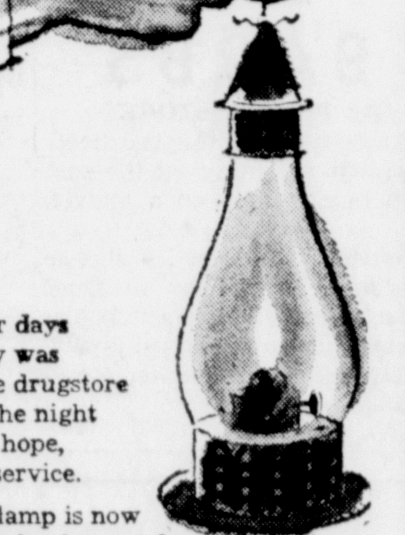

Most animals in the ordinary course of life do not make use of color vision. Birds can see most of the colors we see. Dogs and cats can see well, but they cannot see different colors.

VOTE FOR RUTH NEUMEIER!

THE LAMP IN THE WINDOW

Symbolic of the earlier days of American pharmacy was the lighted lamp in the drugstore window. All through the night it glowed, a beacon of hope, a symbol of unselfish service.

Although the historic lamp is now practically extinct, the fundamentals of pharmaceutical practice have changed but little. The responsibilities of the pharmacist are greater today than ever before — he is a vital factor in medical care.

Public Management, Labor Roles Studied

Discussions relating to the responsibilities of public employers in negotiating with employees on wages and working conditions were held in sessions sponsored by University of Michigan Extension Service at the State Office Building in Escanaba Wednesday.

Dr. Charles Remus, University of Michigan, described elements of unfair labor practices and good faith bargaining, and noted that Michigan Public Act 379 is expected to be amended but not repealed.

It is Act 379, providing for public employees to belong to unions for purposes of collective bargaining, that precipitated a number of strikes — although the Act itself forbids striking.

Act 379 is expected to be amended to regulate against unfair labor practices by unions. Presently the Act only cites unfair labor practices by employers.

More, not less labor unrest among public employees can be anticipated, Dr. Remus believes. Additional unions are expected

to take note that "hard crisis bargaining" brought results for their members last year.

Increased wages and union security factors will dictate that Act 379 stays on the books; there may be in the future (particularly among school districts) even more labor problems as voters reject millage proposals; and the answer to problems of adequate financing for schools may come through more taxes imposed at the state and federal levels.

About 30 men — mostly city managers and municipal department heads — attended the session. There were some councilmen and a few representatives of county road commissions. School boards and administrators were not invited because similar sessions for them are sponsored by Michigan State University Extension.

The specific questions for discussions were formulated at group discussions among those attending. Dr. Remus left for Iron Mountain where a similar conference was held today.

FOR SALE AND REMOVAL

The CITY OF ESCANABA will receive sealed bids at the Office of the Purchasing Agent, 124 No. 8th St. on or before 2:00 P. M., April 4, 1968 for the Sale and Removal of Frame House (less Garage) located at 1101 1st Ave. No., including all plumbing, hot air furnace, lighting fixtures, carpeting and drapes in living room and venetian blinds.

Building to be removed from the premises (down to the foundation) not later than April 12, 1968.

Minimum bid accepted will be \$1850.00. A guarantee deposit of 5% of amount of bid is required along with the bid. This deposit will be forfeited if above conditions are not complied with. Full payment is to be made before building is removed.

The City of Escanaba reserves the right to reject any or all bids.

For further information contact E. A. Olson at the above address or call 786-3274.

A RARE BLOOD DISEASE has confined the spunky 5-year-old to a hospital bed since September. Sally Harrington, daughter of Mr. and Mrs. Emanuel Harrington, Waterford Township, (Near Pontiac) receives the equivalent of eight pints of blood daily. (AP Wirephoto)

Blood Transfusions Keep 5-Year-Old Alive

PONTIAC, Mich. (AP) — Five-year-old Sally Harrington, suffering from an often-fatal blood disease, has been kept alive for six months with 800 pints of blood. If the transfusions—up to 50 pints a week—can be kept up, her doctors think she may be cured.

The dark-haired, blue-eyed Sally lives in danger around the clock and has been confined to a padded bed since last September at St. Joseph's Hospital in this Detroit suburb.

Her mother, Mrs. Emmanuel Harrington, says it takes 50 pints of blood a week to keep

Sally "full of pep and looking like nothing was wrong with her."

Her need for blood has prompted several hundred people in the Detroit and Pontiac area to donate for her.

Hope For Cure

She has aplastic anemia, a leukemia-like disease, in which the bone marrow fails to produce necessary blood components. Her mother says few ever have survived it long as Sally.

But there is hope now. "If she can just stay in there long enough, they know for sure they can cure her," said the mother, wife of a General Motors foreman.

Recent bone marrow tests, Mrs. Harrington says, indicate Sally's marrow is beginning once again to produce both red and white corpuscles, and equally important, that the marrow's platelets-making mechanism may start working again.

Platelets cause the blood to clot. Without them a minor cut could cause a hemorrhage and death. The goal is to keep Sally alive until she once again makes her own platelets.

Sally must stay in her padded bed to avoid being bruised or cut and must avoid activity, which burns up platelets.

Nosebleed Is Scare

Although doctors say Sally isn't yet producing enough red or white blood cells, her mother says the chance of bleeding is, to her, the big threat.

Only a nosebleed caused a scare last week.

To stop the flow, doctors had to stuff her nostrils to stop the flow until transfused platelets took hold.

Sally went to the hospital daily for transfusions between last March and September, but she has been confined there since then.

Her parents are 400 pints in arrears at the blood bank, but hundreds have pitched in to help. More than 230 pints have been donated by Harrington's fellow workers at a GM Truck and Coach Division plant, students at Lawrence Institute of Technology in Detroit, a Buick sales office in nearby Drayton Plains and by neighbors in the suburban subdivision near Pontiac where the Harringtons live.

Molasses Bait Shields Berries

DENVER (AP)—Bait a trap for the strawberry sap beetle and you'll be better able to eliminate him, suggests a Michigan State University entomologist.

Speaking today to the North Central Branch of the Entomological Society of America, Dr. Richard F. Gertz said the most effective control for the destructive beetle is a combination of corn cob molasses and a pesticide.

"Sprays alone were not effective in controlling the beetle," Gertz said, "because conventional spraying wouldn't completely cover the berries."

"The beetles kept moving into strawberry fields from woodlots because they were attracted by the odor of fermenting berries. But the corn cob molasses has served as a competitive attractant, luring the beetles to the pesticide."

Gertz suggested a combination of molasses and pesticide, Guthion, be applied five days before each strawberry harvest. He recommended 40 pounds of material per acre, applied by air.

The cost is only about \$10 or \$12 per acre per application, Gertz said, adding that the insect costs Michigan growers more than \$2 million in lost yields in 1966.

Gertz and Dr. A. J. Howitt, another MSU entomologist, developed the combination attractant and pesticide in less than nine months—just in time to use it on an experimental basis and save the 1967 strawberry crop.

MSU is recommending the application this year.

Bell Suspension Brings Lansing Walkout Protest

LANSING (AP) — Some 150 employees of Michigan Bell Telephone Co. in Lansing walked off their jobs today in protest of the one-day suspension of eight men.

The walkout has not impaired telephone service. The employees, all members of Local 4040 of the Communications Workers of America, were suspended, the union said, for allegedly stopping work for a cup of coffee.

George Voorhees, manager of Bell's Lansing office, said the men were suspended for violating a long-standing rule against congregation.

Voorhees says the men were working in the East Lansing area and travelled to Okemos for their coffee break. Okemos is about five miles east of East Lansing.

African Summit

DAR ES SALAAM, Tanzania (AP) — Invitations have gone out to east and central African presidents to attend a summit meeting in Dar es Salaam on May 13-16. The countries invited by the host Tanzanians are Kenya, Uganda, Zambia, Sudan, Somalia, Burundi, Rwanda, the former Belgian Congo, the former French Congo, Ethiopia and Malawi.

Dr. Eversole Dies

LANSING (AP)—Dr. Gardner Eversole, 55, chief assistant veterinarian for the Animal Health Division of the State Agriculture Department, died Wednesday of a heart attack while preparing to go to work.

Furniture Orders Increase Sharply

GRAND RAPIDS (AP)—The nation's furniture makers report February orders were up 24 per cent compared with the same month in 1967 and the increase in new orders for the first two months of 1968 were 22 per cent ahead of the previous year, according to industry analysts Seidman & Seidman.

Shipments in February were 12 per cent greater than a year ago and unfilled orders were up 21 per cent.

Women's Club Elects Officers

"He's Having A Baby," a one-act comedy, was presented to Manistique Women's Club Tuesday afternoon by the Drama Dept. of Women's Club at Augustana Hall.

Directed by Mrs. Earl H. LeBrasseur, the comedy featured Mesdames Robert Walters, Nick Babladelis, Jack Phillips, Robert Johnson, and Clarence Johnson.

Mrs. J. P. Quick, vice-president, presiding over the business meeting reminded the group of the Senior Girls Tea which will be a one o'clock dessert at the Surf on April 16. Reservations for the tea must be made by April 12 with Mrs. William Males or Mrs. Ralph Gilliam, co-chairmen of the hostess committee. A wedding style show will be the program.

Mrs. Leif Christensen, RN, Michigan Dept. of Health, requested volunteers from the club to assist with the free screening tests being offered to area residents by the Health Dept. and Schoolcraft County physicians in April. Two mobile trailers will accommodate the persons submitting to the tests and will be located at the Medical Care Facility.

Mrs. Clyde Strasser and Mrs. Lyle Wilson were appointed auditors.

Election of officers was held with the following slate being unanimously approved: Mrs. Merle Wehner, president; Mrs. Quick, vice-president; Mrs. William Hood, recording secretary; Mrs. James Slining, corresponding secretary; Mrs. William Drefs, treasurer; Mrs. Wilson and Mrs. Marvin Fredericksen were named to the executive board.

Mrs. Camille Voegtline of Gulliver was welcomed as a new member. Mrs. John B. Parsly of Garden was accepted as a new member.

Music for the afternoon was provided by Mrs. Eugene Johnson.

Assorted bars, nutmeats, mints, tea, and coffee were served buffet style from a serving table covered with a blue cloth. An Easter centerpiece and yellow tapers completed the decorations. Mrs. Clarence Peterson and Mrs. William J. Sheahan were co-chairmen of the hostess committee for the afternoon.

A bake sale was held during the afternoon with Mrs. A. W. Cockram of ways and means committee in charge.

City Briefs

Mrs. Elmer T. Lundstrom, 230 Arbutus Ave., has returned after spending three weeks with her son and daughter-in-law, Mr. and Mrs. Charles Lundstrom, in Grand Rapids.

Mrs. Lundstrom was accompanied home by her daughter, Mrs. John Morrow, and granddaughter, Johanna, of Cleveland.

Mr. and Mrs. James Vaughan, Indian Lake, have returned after spending four months with their son-in-law and daughter, Mr. and Mrs. Edmund Popour, in Santa Barbara, Calif. Mrs. Popour is the former Dolores Vaughan.

Obituary

ORAL J. LAWRENCE
Funeral services for Oral J. Lawrence, who died Monday, were held Wednesday morning at 10 from St. Theresa's Church in Germfask. Rev. Father Raymond Valerio officiated. Pallbearers were: John Lustila, Harold Lustila, Edward Roland, Leonard Englund, Harold Newborn, and Thurmond Skarritt. Burial was in Germfask Cemetery under the direction of the Messier - Broullire Funeral Home.

MAURICE PAQUETTE
Military funeral services for Maurice Paquette, who drowned March 19 in Eureka, Mont., were held at 2 p.m. Wednesday from the Messier-Broullire Funeral Home. Rev. Mr. Ingram Levin officiated. Mrs. Norma Johnson was organist. The local National Guard, under direction of Capt. J. P. Quick was in charge of the firing squad. Pallbearers were: John Ott, Seb Rubick, Peter Berger, John Anderson, Louis Rogers and Clarence Irie. Honor Guards were from the American Legion, VFW, DAV and WWI Veterans. VFW chaplain was Don Martin and DAV chaplain was Bill Hentschell. The flag was folded by Bill Hentschell and William Cowman. Mrs. Maurice Paquette was presented the flag by William Cowman.

Garden Peninsula Grass Fire

A grass fire near the Port Bar in Fayette was reported Tuesday to the conservation department. A small building was destroyed and an acre of grass burned. Park manager, James Kent and Gerald Willette, assistant, extinguished the fire.

William E. Ward Sr. of Vans Harbor accompanied Monty Ward of Taylor to lower Michigan where he will visit his daughter, Mrs. Robert LaLond and Mrs. Larry Stelmack. He will also seek employment there.

Visiting Tuesday in Green Bay were Mrs. Lucille Allen and daughter Wendy, Miss Kathy Spalding, Mrs. George Coppess and Sidney Lucas.

Hospital
Mrs. Sidney Lucas is a surgical patient at St. Vincent's Hospital, Green Bay.

Grange Meeting
The Kates Bay Grange will meet Saturday at the Rufus Spalding Home. This meeting marks the 58th anniversary of the organization of the Kates Bay Grange. This was the first grange in Delta County.

Fred Cannon of Munising is a guest at the Rufus Spalding home in Kates Bay.

Arctic Snowsled Trek Abandoned

COCHRANE, Ont. (AP) — Four Michigan men attempting to travel from Moosonee, Ont., to Churchill, Man., by snowmobile, headed home Wednesday after spending 25 days in the frozen North.

Jack Bursey, 64, of Montague; Lyman Wenger, 49, of Grand Rapids; Pat Dillinger, 34, of Grand Haven, and Bill Make, 39, of Rothbury, completed 891 land miles, about half of the trip, before mechanical trouble forced them to halt.

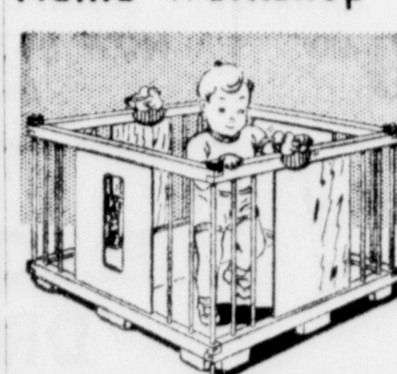

A wheel in a double-track snow machine operated by Bursey twisted and buckled. Unable to repair or replace the part, Bursey flew back to Moosonee and the other three made the return journey by snowmobile.

The coldest temperature recorded during the trip was 35 degrees below zero, but winds gave a wind-chill factor of 75 degrees below zero.

Troika Revival

MOSCOW (AP) — The troika, the classic Russian carriage drawn by three horses prancing abreast, is enjoying a revival for trips of bridal couples to the Palace of Weddings, and drivers are booked for all the spring months. Tass reported. The festive troika invariably is given the green light in traffic.

Home Workshop

A PLAY PEN with toys built in has a floor well off the ground, is easy to store and quickly set up. Amusing ducks slide along the top and a cut-out acrobat set in a side panel flips over and over. Pattern 459, which lists materials, gives full-size cutting guides and directions, is 35c. It also is one of four patterns in the Tiny Toys Toy Packet No. 32 — all for \$1. Escanaba Daily Press Pattern Dept., P. O. Box 30 New Windsor, New York 12550

MANISTIQUE Group Protests Banning Trailers

Petitions are being circulated in Manistique asking for immediate revocation of Ordinance 128, passed by the city council Monday night. The ordinance in question regulates the use and location of house trailers in the City of Manistique.

Douglas Rose, 411 Intake Park Road, said he was advised by the city it was uncertain how many signatures were required on the petitions in order to get action but that 20 petitions, each calling for 20 signatures, were being circulated.

The city charter requires signatures equal in number to twenty-five per cent of the highest number of votes cast for city council in the last previous election. This would reflect the April 1966 election.

Rose, Donald McPhail, 521 Alger Ave., and Ray DeRousha, Sixth St., all trailer owners, were among a group attending Monday night's council meeting to protest the passage of the ordinance. They contend that the ordinance is too restrictive.

Ordinance 128 passed council by a vote of 4-1, with Councilman Leo DeMars the dissenter. The group plans to petition the council for action prior to the April 8 council meeting.

Ordinance 128 prohibits the parking of any house trailer in the city of Manistique, excepting a commercial trailer next to a construction site. However, the ordinance exempts any

City Briefs

Mr. and Lyle Smith, 425 Arbutus Ave., and Mr. and Mrs. Kenneth Smith Sr., 171 Maple Ave., have returned to their homes after a six week vacation in Naples, Florida.

Junior College Use Urged For Police Training

DETROIT (AP) — Utilization of community colleges in training law enforcement officers is recommended in a study made for the Metropolitan Fund Inc. of Detroit.

Arthur F. Brandstatter, director of the school of police administration at Michigan State University, made the study and found that existing programs and facilities fail to provide adequate training for law enforcement officers in Southeast Michigan.

Holding that "the deficiency will grow substantially as the population increases," Brandstatter said "utilization of existing and planned community colleges is the most logical basis for combating the problems."

Drama Festival Saturday Night

The Spring Festival of Drama will be presented Saturday evening at 7:30 in the MHS auditorium, under auspices of the MHS Drama Dept.

The presentation will consist of one-act plays and skits, all student directed. Other members of the dramatics club are involved in costuming, make-up, publicity, and stage-managing.

Plays and skits to be presented include "To Burn A Witch," Gigi Gray and Arlene Jetty, co-directors; "If Boys Wore Skirts," Pam Tennyson and Rita Wickwire, co-directors; "Do I Bother You," Diane Pace and Ron Starrine, co-directors; "Let's Modernize," Paulette Nelson and Julie Gerber, co-directors; "Foxy Granny," Dave Howe and Peter Cockram, co-directors; "The Boy Next Door," Pattie Johnson and Linda Selling.

Tickets are available from any dramatics student or may be purchased at the door. Adult prices are 75c and student price 50c.

Mrs. Earl H. LeBrasseur is advisor to the Dramatics Club.

K-C To Honor Basketball Team

Knights of Columbus will honor the St. Francis de Sales basketball players, cheerleaders, their parents, faculty, and schoolboard members and their spouses at a 6 p.m. potluck supper Monday at the K. of C. Hall, River St.

Knights and their ladies are invited to attend and asked to bring a dish to pass.

Briefly Told

The hot-lunch menu for Friday at St. Francis de Sales School: Macaroni and cheese, stewed tomatoes, and home-made bread.

The hot-lunch menu for Friday at Central, Fairview, Doyle and Hiawatha schools will be: Baked lake trout, tartar sauce, whipped potatoes, orange juice and apple crisp.

Mrs. Mary Gage, cub scout training leader from Escanaba, will conduct a training session for adults of the newly-formed cub scout pack on Saturday afternoon from 1 to 4 at the Zion Lutheran Church.

Michigan State Police investigated a two car accident Tuesday at 12:15 p.m. at the intersection of U.S. 2 and M-77, Blaney Junction. A car driven by Leroy Forgeron of Mackinaw City struck the rear of a vehicle driven by James Arthur Tennyson, Blaney Park, as the Tennyson vehicle was attempting a left-hand turn off the highway. Tennyson was ticketed for an improper left turn. No injuries were reported.

Wallace Cook, Cub Chairman

Wallace Cook was chosen chairman and Paul Hinkson, secretary, at a second Cub Scout organization meeting held at Augustana Hall.

Dick Oslund, district scout executive, presented films on various phases of cub scouting and was assisted with pack organization.

A meeting of the organization for pack leaders, den mothers, and den fathers-at-large will be held at Augustana Hall at 7:30 p.m. on Monday, April 8.

Hospital

Admitted to Schoolcraft Memorial Hospital were: Sandra Wood, Robert Hewitt, Gina Burrows, Floyd Cox, Emil Knoph, and Elizabeth Tiglas.

Discharged were: Charles Holbrook, Henry Cota, Ray Maynard, and Sandra Price and baby.

NOTICE

OF

PUBLIC HEARING

The Schoolcraft County Board of Supervisors will hold a public hearing on April 9, 1968, at 1:30 (p. m.), at Schoolcraft County Court House to consider whether the Community Action Agency activities in the county should be continued as currently structured.

(signed) Ferdinand Lesica
County Clerk

American War Casualties Rise

SAIGON (AP) — The number of Americans and South Vietnamese killed in the Vietnam war edged up slightly last week, the two commands reported today. The number of enemy reported slain dropped.

U.S. Command said 349 Americans were killed in action in the seven-day period ending at midnight Saturday as compared with 336 the previous week. There were 1,965 Americans wounded last week, also up slightly from the 1,916 a week earlier. Of the 1,965 wounded last week, 965 did not require hospitalization, U.S. spokesmen said.

South Vietnamese headquarters said 270 government troops were killed last week, three more than the 267 reported killed a week previously. The number of wounded was down to 670 as compared with 962 in the earlier reporting period, and the number of missing was put at 49 as compared with 186 in the previous week.

The U.S. Command said 2,223 enemy were killed by allied forces last week. The South Vietnamese command put the total enemy killed at 3,428. Reports from the two commands often vary, and U.S. spokesmen noted that the enemy killed total was "subject to readjustment."

Hope Speaker

HOLLAND (AP) — Rep. Guy Vander Jagt, R-Mich., is scheduled as keynote speaker today at a mock Republican national convention at Hope College. Students from 23 high schools in southwest Lower Michigan are expected to take part in the program coordinated by Alvin W. Vanderbush, chairman of political science studies at Hope.

Schoolcraft County EVENTS AND NOTICES

Lakeside Lodge 371 F & AM will hold a school of instruction for all officers and members on April 1 at 7:30 p. m. Members are reminded that the regular meeting for April has been postponed to Monday, April 8 at 8 p. m. Lunch will be served. Visiting Masons are invited to attend!

LCW of Zion Lutheran Church will meet April 2 at 8 p. m. in Augustana Hall. Program: "Adult Health Screening Tests" presented by Mrs. Leif Christensen. The public is invited.

Midweek Lenten Services at Zion Lutheran Church will be April 3 at 7:30 p. m. in Augustana Hall. Title will be "The Mystery Of The End."

"SEE THE LIGHT . . . THE SWITCH IS ON TO FORD."

AMERICAN PLANES deliver an air strike against a village south of Da Nang which was suspected of having North Vietnamese and Viet Cong positions. As smoke from the napalm strike rises over the village, soldiers of the U. S. American Division wait in their armored personnel carriers until the strike is finished. The GIs occupied the village for an evening after it was hit by the planes. (AP Wirephoto)

Dissenters Help Enemy, Says Ike

NEW YORK (AP) — Former President Dwight D. Eisenhower accuses Vietnam war dissenters of giving "aid and comfort to the enemy" and says their behavior is probably "making honorable negotiations impossible."

In a copyrighted article in the April issue of Reader's Digest, Eisenhower said, "It is improper, and I think unpatriotic, to voice dissent in such a way that it encourages our enemies to believe we have lost the capacity to make a national decision and act on it."

Of the upcoming political campaign, he said: "I will not personally support any peace-at-any-price candidate who advocates capitulation and the abandonment of South Vietnam."

Eisenhower said that in all his life he had never encountered a situation more depressing than the "present spectacle" of the nation divided over the war.

Eisenhower, commander of the allied armies in Europe during World War II, called for an end to "divisive" political debate over Vietnam.

Eisenhower said he was not objecting to "honorable dissent" and conceded that some people sincerely believe "we have no

More Parolees Are Successful

LANSING (AP) — There has been a steady improvement in the number of Michigan parolees making good and not returning to prison, reports the State Corrections Department.

In the early 1960s, only 60 per cent of the prisoners paroled completed their parole terms without a return to prison. Latest figures show the success ratio now up to 66 per cent.

Gus Harrison, State Corrections director, said he didn't want to make any strong claims because there are so many variables that might explain the improvement.

"But we do think it is a hopeful sign when programs which we believe should do some good are followed by improved community adjustment," Harrison said.

"If further new programs are followed by continued improvement in parole success, we are going to be greatly encouraged."

The department noted that parolees under 21 have a five per cent better record of success than older offenders.

Harrison said there are several new programs that might help account for the rising success in prisoner rehabilitation.

These include more intensive efforts in the education and training of younger offenders, a work furlough program, group counseling and an increased number of parole officers to reduce their caseloads.

The work furlough program, allowing some prisoners to live in and work outside the prisons, also recently was expanded on an experimental basis to allow some inmates to attend college and trade training classes during the day.

Bell Reports Profits Rise

DETROIT (AP) — Michigan Bell Telephone Co., has reported that its profits rose 7½ per cent in 1967 — a year in which the firm installed its four-millionth telephone.

Michigan Bell said in its annual report that profits rose to \$72.5 million from \$67.4 million in 1966. Per-share earnings, however, declined one cent from \$1.77 in 1966 to \$1.76 last year. The firm reported operating revenues of \$487.6 million last year, an increase of more than 6 per cent over the \$457.2 million in 1966.

William M. Day, Michigan Bell president, attributed the decline in earnings to heavy investments in construction, increased wage rates, greater interest charges, higher taxes and inflation.

He said the company spent almost \$200 million to expand and improve its facilities.

The firm reported earlier this month that it plans to spend \$187 million this year to improve facilities.

Steal Locomotive

HONG KONG (AP) — A Manchurian-made locomotive was hijacked and disabled by five anti-Maoist guerrillas while it was en route through Red China to become a showpiece of the Canton spring trade fair opening April 15, the Hong Kong Star reported. It did not say where the hijacking occurred.

23 More State Communities Halt DDT Use

GRAND RAPIDS (AP) — An additional 23 Michigan communities have agreed to halt their use of DDT spraying in Dutch elm disease control programs, U.S. District Judge Noel P. Fox said in Grand Rapids. The agreement was reached out of court at three days of conferences in Detroit.

The Environmental Defense Fund, a New York-based group of scientists and laymen, initiated court action in the Grand Rapids Federal Court to force an end to the use of DDT, claiming it would cause serious and permanent damage to natural resources of the Lake Michigan watershed area.

Nine West Michigan communities already agreed out of court to stop using DDT. The Defense Fund is advocating use of Methoxychlor, a short-lived pesticide.

The 23 communities agreeing to drop DDT spraying include: Alpena, Ann Arbor, Bay City, Farmington, Garden City, Grosse Pointe Park, Hazel Park, Hamtramck, Huntington Woods, Ithaca, Lathrop Village, Milan, Monroe, Northville, Oak Park, Pleasant Ridge, Pontiac, Royal Oak, Saginaw, Trenton, Wayne, Ypsilanti and Wyandotte.

Wayne Unions Try For Urban Action

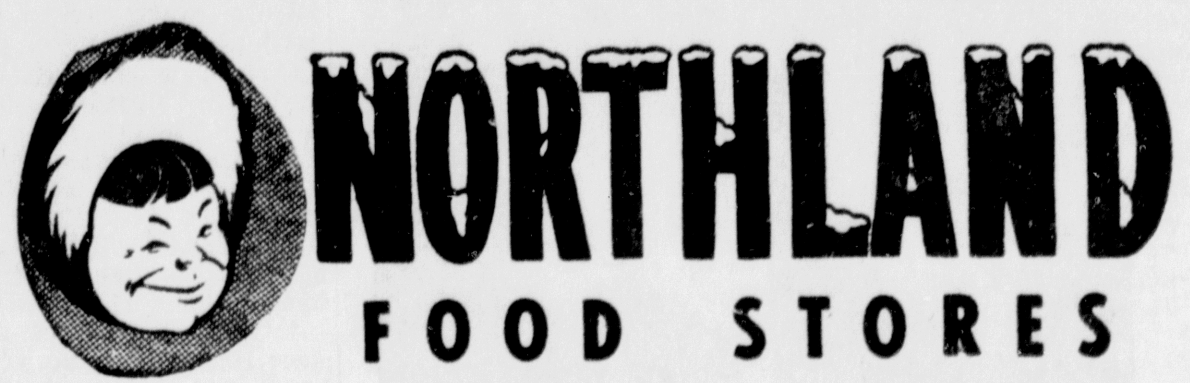

DETROIT (AP) — A discussion of Detroit's urban problems as they relate to the 1968 elections will be held March 30, the Wayne County AFL-CIO Council has announced.

"This will be an action meeting, not a gabfest," said Council President Russell Leach. "After hearing the current status of problems, participants at the workshops will be asked to assume immediate and specific responsibilities to help get some action on the problems."

He said the discussion would center around problems in education, pollution, civil rights, and crime and what this year's elections have got to do with it.

Walleye, Pike Seasons Ending

Ice conditions are deteriorating and fishing activity will generally be at a low ebb until open water conditions develop, the Conservation Department reports. Some mediocre success has been had for walleye and large perch in Upper Bay de Noc above Gladstone.

The season for walleye and northern pike in Lake Michigan (including Bay de Noc) and Lake Superior closes temporarily on March 31. Perch will continue to be a legal species. As open water conditions develop, the Rapid River mill-pond, Nahma millpond and Garden Bay have been favored spots for the annual spring perch run.

The early trout and salmon season opens April 1 for certain species on certain designated waters. Informational lists are available from the Department of Conservation. The general trout season does not open until April 27.

Use of hand nets for smelt became legal March 1 and continues through May 31, consequently as this activity commences, it will be permissible again only in designated waters. Listings of these waters are also available from the Department of Conservation.

Sucker season does not open until May 1 in the Upper Peninsula.

Fish shanties should be removed from the ice. Permissible storage at fishing sites is only for a limited period, and such shanties should be removed promptly.

Eaton-Fawick Merger OK'd

CLEVELAND, Ohio (AP) — Shareholders have voted approval for mergers that will expand two of Cleveland's major industries—Eaton, Yale & Towne and White Consolidated Industries.

Stockholders of Fawick Corp. of Cleveland approved a plan to exchange 1,499,811 common shares on a basis of one share for seven-eighths of a common share of Eaton Yale & Towne. John V. Eakin, executive vice president of Fawick, will become a vice president of Eaton Yale & Towne. Fawick, which will operate as a division of Eaton Yale & Towne, had sales of \$17.7 million in 1967.

The other merger involved Blaw-Knox Co. of Pittsburgh and The Bullard Co. of Bridgeport, Conn., into White Consolidated Industries. Stockholders of all three companies approved the merger which will add about \$250 million in annual sales to White Consolidated and raise its total sales to about \$700 million.

White shareholders also approved doubling the number of authorized common shares to 12 million and increasing the dividend from 5 1/2 to 6 per cent on preferred shares which are to be reclassified.

GLADSTONE

Cpl. Paul Uerling

Cpl. Robert Bishop

Uerling Named Post Commander At Manistique

Promotion of State Police Cpl. Paul H. Uerling of the Gladstone Post to sergeant and assignment as commander of the Manistique Post effective April 14 was announced today by Col. Fredrick E. Davids, East Lansing, department director.

Uerling will succeed Sgt. Lucien D. Conard at Manistique, whose retirement is effective March 29.

Davids also announced that Cpl. Robert R. Bishop of the operations division, East Lansing, has been transferred to the Gladstone Post to fill the vacancy left by Uerling's advancement.

Uerling, 40, joined the State Police April 18, 1949, serving first at Romeo before assignment in 1959 to East Tawas. On promotion to corporal in 1963, he was transferred to Gladstone.

Born June 7, 1927, at Colby, Wis., Uerling graduated from Maresco High School. During World War II he served in the Navy for 38 months, eight of them overseas. He is married and has two sons and a daughter.

Bishop enlisted in the State Police Jan. 5, 1948, serving first at Wakefield before being granted military leave. On return to duty in 1950, he was assigned to Bay City, then was transferred in 1955 to Iron Mountain. Promoted to corporal in 1961, he was briefly assigned to Paw Paw, then transferred to Houghton Lake. In 1963, he joined the operations division, East Lansing.

Bishop, 42, was born Aug. 18, 1925, at Detroit and graduated from high school at Coldwater. He is married and has two sons and a daughter.

Gladstone Soldier Returns Home After War Duty

Spec. 4 Al Howes, son of Mr. and Mrs. William J. Howes, 1102 Dakota Ave., has returned home after serving 12 months in Vietnam.

Howes received the Army commendation medal, the air medal and several Vietnamese medals while serving with the 1st Air Cavalry Division.

While in Vietnam, he served eight months as a rifleman in the Central Highlands. He was one of 162 soldiers flown home via Japan, Seattle and Chicago.

After a 30-day leave, Howes will report to Ft. Campbell, Ky., where he will serve as an instructor for five months before obtaining his discharge.

A 1965 graduate of Gladstone High School, Howes said he plans to continue his education this fall. Mr. and Mrs. Howes will have all of their family at home this weekend for the first time in two years.

Court Upholds Assessment Limit At 50 Per Cent

LANSING (AP) — The State Court of Appeals ruled Wednesday that the State Constitution contains a clear mandate that a piece of property cannot be assessed at more than 50 per cent of appraised value.

The ruling favored the Kensington Hills Development Co. in a dispute with Milford Township and the village of Milford. Originally, property owned by the development company was valued on its commercial usefulness. On appeal to the State Tax Commission, the valuation was reduced but the assessment rate was left unchanged. This resulted in an assessment rate of more than 50 per cent, the court said.

Snow Plow Found

PORT HURON (AP) — Elmer Zimmer of Port Huron, who reported his snow plow stolen over the weekend, called police Wednesday to call off the search. He found it buried under a drift in his yard.

Fashions For Spring Are Soft, Tailored

NEW YORK — (NEA) — Coats and suits with the look of spring are soft and swinging, but always well-tailored and carefully constructed. Because tough chic is out, yet no one is ready for a flourish of ruffles and frills.

Suits have flippy skirts and body fit. Jackets are straight short-stops, best with flared skirts. Or they are mini-flared, worn over mini-flared skirts.

The Bonnie and Clyde look is a designer's favorite this season, too — the long, fitted jacket, pleated skirt and shirt.

A dress often looks like a coat and can be worn as one — and vice versa. A sleeveless

ELEGANCE AT ITS NEWEST (left) is this dynamic coat of geometric worsted gabardine, narrowed at the top and lightly flared toward the hem. The coat that looks like a dress (right) is in navy wool gabardine. Spice is added via white leather collar, cuffs and red satin bow.

Trenary

Public Meeting
Numerous programs of the "War on Poverty," that are available to the people in the area will be discussed at a meeting at the Trenary Town Hall on April 3, at 7:30 p.m. The public is encouraged to attend.

The Rev. Harry Anderson of Milwaukee will be the guest speaker at the First Lutheran Church Sunday, March 31 at 9 a.m. Rev. Anderson is assistant to Dr. Theodore Mattson of Milwaukee.

Lions Club
The Trenary Lion's will meet Tuesday, April 2 at 7:30 p.m. at the Townhall.

NO VISITING CZAR
No Russian czar ever visited the White House, but the Grand Duke Alexis was a guest at the executive mansion during the administration of President Ulysses Grant.

HURLEY'S

Secrets of Beauty

This week, I would like to talk about fine hair. If your hair falls in this category, it is very likely sleek and soft-sheened and poses quite a number of problems.

Cold weather will load it with static electricity, heat will leave it limp... and you're probably in a never ending quest for props to give it body.

I caution against vigorous pulling on shampoo snarls as fine hair is even more fragile when wet. Also, be extremely careful of too-energetic brushing and combing which adds to friction problems.

Fine hair responds nicely to a permanent that is soft and loose and free of frizzing tendencies. This type permanent... as is true of any permanent... is properly and expertly given at HURLEY'S HAIR FASHION.

111 N. 9th... Phone 786-0663.

TIP OF THE WEEK:

Envelopes attached to the inside of drawers with thumb tacks or scotch tape, will hold small items and keep them easy to locate.

The infant weighed 6 pounds and 8 ounces at birth and has been named Annetonette Marie. The mother is the former Joan Kolich of Escanaba.

Church Events

Immanuel Lutheran
Friday, March 29, 3:30 p.m. — eighth grade confirmation.

B&PW Club Members Hear George St. Louis

Members of Escanaba Business and Professional Women's Club, meeting at the Sherman Hotel on Tuesday evening, heard George St. Louis in an informative discussion of National Security interests and United States defense in the Far East.

St. Louis, now retired, spent many years in various countries in Asia in his position with the State Department.

United States security, stated St. Louis, is threatened in Vietnam and there is a potential threat in Korea and the Mediterranean; also, because of the SEATO Treaty with southeast Asian countries and the ANZUS Treaty with Australia and New Zealand, the U.S. is committed to underwrite the freedom of these countries and to intervene in the event of aggression.

Two Bases

The United States defense periphery extends from the Aleutians, through the Sea of Japan, from South Korea to Okinawa (where it has the largest air base in the world), through the Formosa Straits and on down to the Malayan peninsula, Australia and New Zealand.

The United States Navy has two bases on Formosa and its fleet patrols the straits which St. Louis described as the roughest body of water in the world, where invasion from the mainland would be possible during only three months of the year. Every ship that enters is photographed and kept under surveillance.

Speaking of the internal struggle which has been going on in China for the past three and a half years, St. Louis said it has become increasingly difficult to get current news out of China. However, the struggle is continuing and it is believed there has not been a definite showdown between Mao Tse-tung and his chief rival for power, Liu Shao-Chi.

Blessing

The great fear in the past has been an alliance between China and Soviet Russia and, in the opinion of St. Louis, the greatest blessing the free world has received is the rift between China and Soviet Russia. Now, he said, they hate each other worse than they hate Americans.

Chinese leadership in world affairs has been a complete disaster. It has succeeded in alienating every communist government except Albania and its "Great Leap Forward," was the economic pratfall of the 20th century, according to St. Louis.

300,000 Communists

An important political development occurred when Indonesia, with a population of 110 million, revolted against Sukarno, who was pro-Peking and liquidated over 300,000 communists.

Under the new leadership of General Suharto, Indonesia is re-orienting itself to the west and is establishing friendly relations with the United States and the west. This, said St. Louis, was the greatest defeat for China in the last few years.

The Legislation committee, composed of Nancy Pearson, Dorothy Boyle, Ina Green and Geraldine VanEnkevort, was in charge of the meeting.

Sgt. Wolfe Still Receiving Letters

PHU CAT, Vietnam (AP) — More than 10,000 miles from his six motherless children, Air Force Sgt. John L. Wolfe is still getting letters offering to care for his temporarily fatherless brood. There are even some offers of marriage.

Not wanting to give up his Air Force career, Wolfe turned down a hardship discharge and arrived in Vietnam at the end of February.

He left three of his children with relatives and the two oldest boys in a children's home until his return. A boy born a week before his wife died of a brain hemorrhage in March 1966 has been adopted by Wolfe's brother.

Peace Of Mind

"I think the children will be all right," Wolfe said at the air base here, where he is supervisor of sentry dog handlers.

"This gives me great peace of mind."

Shortly after his wife died, the Air Force offered Wolfe a hardship discharge. But the 36-year-old sergeant already had 13 years in the service and decided to stick it out for at least seven more, until he could retire on a pension.

Orders to Vietnam came while Wolfe was stationed at the air base in Columbus, Miss. When the news of his plight hit the papers, he was flooded with offers to care for his children. He said he had hundreds of calls from 31 states.

Declined Offers

"I didn't realize there were so many good-hearted people in the world," the sergeant said. But he declined all the offers.

Wolfe's sister in West Point, Ky., took George, 5, and Ralph, 4. Wanda, 10, is in Valley Station, Ky., with Wolfe's brother, who adopted the baby boy.

Jonathan, 7, and David, 9, are spending the year at a Baptist orphanage in Middletown, Ky., 13 miles from Valley Station.

Wolfe said he has received 15 letters from women who want to mother his children since he arrived at Phu Cat.

"You can't get much better than that," Wolfe said, pointing to the picture of a widow from Dothan, Ala.

But Wolfe says he has no plans to accept any of the offers of matrimony.

"Maybe if all the ladies read this they will stop writing me and calling my mother," he said.

More people get more news from newspapers than all other sources combined.

Carnival Glass Now Prized By Collectors

There are many who can remember this scene. It's at a carnival of a fair, back around 1920. A young fellow is spending a rather expensive afternoon — for those days — at one of the concessions. His girl at his side, he's trying to throw noops, balls or darts as accurately as he can, at a dime a try. The prizes to reward his desperate efforts are arranged on the back wall of the booth. They are richly colored and patterned pieces of glassware which glow with an iridescent shine. When he wins a prize, he has his choice of the pieces of glass. Or he can accumulate a sweaty palmful of tickets and ultimately select something magnificent, such as a punch bowl set for his girl's cedar hope chest or a boudoir set for her dresser. He'll probably blow a whole \$5 and, just to complete the picture, those prizes were purchased by the concessionaire for a dollar a barrel. This was the lowly role back in those days of an item called Carnival glass, one of the darlings of American collectors today. That same punch bowl set has gone from a dollar a barrel, past the \$5 it took a game sport to impress his girl, to a price of over \$100 if it's a rare pattern. Pressed or mold-blown, the glass was coated with various chemicals and fired again to get the iridescence. It started out around 1900 as the common people's substitute for Tiffany glass, popular among the aristocrats. It was found in Sears Ro-

back and Montgomery Ward catalogs and in 1919, the entire set of bowl, base and cups for a punch set was listed at \$1.75. Variety stores sold it. A little, but not much, got into jewelry stores. Decorative items rather than utilitarian. Carnival glass could be dulled by the strong soaps of the time or by long exposure to direct sunlight. It was generally stored in closets to be used on special occasions—a happy circumstance for collectors because there is much of it still in good shape. It ran to vases, candy dishes, compotes and plates. Most popular of all were bowls which made bright decorations in rooms even if used infrequently. And this is not to overlook the hatpin holder, another important number. When the general popularity of this Tiffany second-cousin fell off, the makers unloaded barrels of it to carnival people and it began to earn the name Carnival given to it when collectors turned their attention to it a few years ago. Now it is hunted high and low. There are books in the library about the various patterns—including the one with Good Luck and a horseshoe as its motif. But don't think of it all as gaudy because much is quite beautiful even to modern eyes. Avid fans concentrate on a pattern and drive rutted back roads tracing down rumors of old cupboards loaded with the stuff. Romantics all, they call it the Cinderella of glassware. Even though some pieces come high, they're still far below the range of most glass collectors' items, such as cut glass, and for that reason alone offer a good field to specialize in if you have the collecting itch. As in any hobby of this kind you are largely investing your money in the future. Seldom do prices go down. This unusual circumstance illustrates it. Carnival is almost impossible to duplicate with present-day materials. Only one firm is known to have started up again, casting with its original molds. Experts are encouraging the collection of the easily identified second generation of Carnival in the interest of children in the family. They predict that by the year 2000 hordes of collectors will be breaking down closet doors hunting the 1968 version.

MR. AND MRS. Christy Skidmore of Curtis announce the engagement of their daughter, Kathy Jean Smith, to Gerald M. Loehr, son of Mr. and Mrs. Leonard Loehr, also of Curtis. The wedding will take place on April 13.

DRUPES

A drupe is a fleshy fruit containing a single seed surrounded by a hard covering or "stone." Common fruits which are drupes are the olive, plum, cherry and peach.

FROM A GROUP of crash contrasts, boldly striped wool knit (left) in oxford and oyster with bone buttoned tab front and demi back belt has long sleeves. Rajah jacket in honey wool knit over a slightly flared sleeveless dress with flap pockets (right) has welt seaming and gold buttons.

Rock

4-H Program

The Rock and West Rock 4-H program will be held at the Rock School gym Friday, March 29 at 8 p. m. The doors will open at 7 p. m., so the public may view project work. The program will consist of talent and modeling. Lunch will be served in the home economics room after the program.

Sadie Hawkins Dance

The Rock Teen Club is sponsoring a Teen Dance at the Rock School gym on Saturday, Mar. 30 from 8:30 to 11:30 p. m. It is a Sadie Hawkins dance and dress will be according to the theme. The Riot Squad will furnish the music. Teens from surrounding areas are welcome.

Burning Permits

Burning permits are needed for anyone wishing to burn grass. Anyone in the West Rock area wishing to get a permit may call Veikko Liukkonen, EL-6-3953. There is no charge for the permit.

Events

The Junior Class play, "No Boys Allowed," will be presented at the Rock School Saturday, April 6. Easter vacation is April 12 through the 15; class and exhibition night, May 21, and graduation, May 23.

CALIFORNIA EARTHQUAKE

An earthquake in southern California on Dec. 8, 1912, killed 40 persons attending church services in San Juan Capistrano church. The earthquake destroyed the church and damaged several mission buildings.

Rock PTA Meeting Held On Monday

ROCK — The Rock PTA met at the school Monday evening for a varied meeting. The fluoride program was discussed and it was reported that only 40 per cent of eligible students have signed up for it. Pre-school, grades two, five and eight are eligible as this is the period when newly erupted teeth need fluoride treatments. Anyone wishing to sign up for the program should call Mrs. Clayton Kanerva or Mrs. Robert Koski before March 31. The basketball lunches netted the PTA \$61.36. John Small's room won the attendance award.

Eileen and Rita Kaukola presented their forensic speeches during the program and a film on "Beauty and the Bounty," was shown. Lunch was served in the home economics room after the meeting. Ellen Bakka, only participant from Rock in the region forensics meet at Gladstone Saturday, received a superior rating for her original oratory, "Young Rebels."

Wilson

Study Club

Mrs. Joseph Kirschner of Spalding Home Study Club presented the lesson, "Harmony for You in Design and Fabric," at the Tuesday evening meeting of the Wilson Home Study Club held at the home of Mrs. Norman Kell in Wilson.

Mrs. Kirschner also showed pictures of dresses and hats suitable to various figures and coloring.

Four guests attended the meeting: Mrs. Dennis Gatten, Mrs. Norbert Bellefeul, Mrs. Jack Britton of Wilson and Mrs. Walter Piche of Powers. Lunch was served by the hostess.

When you are making deep dish meat pies, prick that top crust to allow steam to escape.

Bark River

Businessmen's Council

Seventeen businessmen of the area were present at an organizational meeting at the Legion Club Rooms Monday evening of what is temporarily being called the Bark River Businessmen's Council. Temporary officers are Roy Bergman, president; John Moniowczak, vice president; and Loyal Hanson, secretary-treasurer.

A By-Laws and Constitution committee was appointed as follows: Chairman, Melvin Taylor, assisted by Tom Swift, Francis Derocher, Marvin Ray and Edward Motto. John Krause and James Anderson comprise the membership committee. The next meeting will be Monday, April 22, at the Legion hall.

Returns Home

Robert Simmons, son of Mrs. Russell Simons Sr., returned to Bark River with his mother and family after undergoing two major operations in the past five weeks at University Hospital in Ann Arbor. Bobby will be confined to a wheelchair for several months.

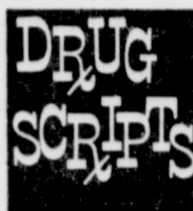

Birthday Party

Tracy Fournier was guest of honor at the home of his parents, Mr. and Mrs. Arthur Fournier Sunday afternoon in honor of his seventh birthday. Games were played with prizes for all. A pink and yellow birthday cake was featured at lunch.

Attending the festivities were Ricky Larson, Michael Rahoi, Michael Bugay, Hal Bergquist, Dan Phillips, Tim Murray, his brothers, Tom, Tim and Todd, and two cousins, Karen and Karl Erickson, Mr. and Mrs. Jack Erickson and his maternal grandparents, Mr. and Mrs. B. R. Erickson.

A RIPE OLD AGE

According to many medical authorities, there is no reason why most of us can't live to a ripe old age — say 125 — if we "do the things we know we ought to do."

These experts speak strongly for exercise, largely strenuous to be beneficial, but they caution against overdoing it. Exercise is too strenuous if the heart refuses to stop pounding 10 minutes after

exercising; if breathing is still uncomfortable 10 minutes afterwards; if the individual is still shaky more than 30 minutes after; if fatigue carries over into the next day.

If your idea of exercise is to drive to GROOS DRUG STORE for your prescriptions, that's your privilege. At any rate, you'll always be rewarded with uncommonly friendly service at GROOS DRUG STORE. 1007 Ludington St. Phone ST 6-3552 for prescription delivery. Family Record Day Plan... Gibson Greeting Cards... Whitman.

This Week's Helpful Hint:

Grease stains should be cleaned with carbon tetrachloride before washing. Rub extra soap on stain.

Have You Baked A Meat Pie Lately?

Newspaper Enterprise Assn.

Indiana's senior Sen. Vance Hartke was chairman of the Gourmet Holiday Dinner recently, sponsored by the Indiana Society of Washington. "Anyone born in Indiana often longs to be 'Back Home in Indiana' again! The next best thing to being there is to bring Indiana's wonderful foods to the nation's capital," the senator explained.

More than 500 of the state's illustrious natives and friends attended the feast in the New Senate Office Building. There were corn-fed beef, loin of Hoosier pork, breast of turkey from Dubois County, old-fashioned corn pudding and southern Indiana pickles. There were many other fine foods, all flown in and prepared by well-known Indiana chefs. Among the desserts, "Old Heidelberg" chocolate torte with "Young America" filling was the favorite.

"Old Heidelberg"

Chocolate Torte Cake

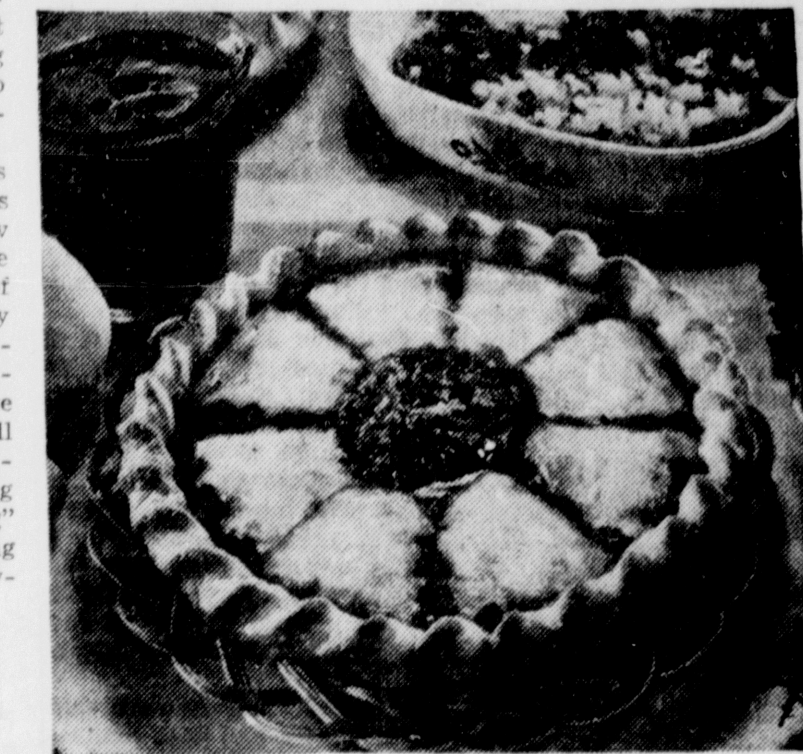

2 oz. unsweetened chocolate
1 1/2 oz. bittersweet chocolate
1/2 cup water
(or slightly more)

4 eggs
2 1/2 cup extra-fine granulated sugar
1 1/2 cup cake flour
1/8 teaspoon salt
1/2 teaspoon vanilla extract
"Young America" Filling
2 cups heavy cream
8 oz. bittersweet chocolate
1/2 teaspoon vanilla extract

Preheat oven. Melt chocolate in small saucepan. Mix with water. Cook until smooth and like a very thick cream. Warm eggs in the shell 10 minutes in "hand-hot" water. Break eggs in mixing bowl and beat with sugar (10-15 minutes with electric mixer on medium speed). Sift flour and salt over mixture. Begin to fold. After 4 or 5 turns, add slightly cooled chocolate. Add

vanilla. Mix lightly. Bake in chocolate. When dissolved and buttered and floured 9-inch smooth, add vanilla, chill and spring form pan for 35 minutes. whip. Slice the very soft cake carefully to make 2 layers.

For filling, bring heavy cream to boil. Remove pan Spread 1 cup filling on top from heat. Whisk in chopped and over sides.

PIZZA-STYLE MEAT PIE — Made with ground beef and a new tomato sauce and topped with mozzarella and Parmesan cheese.

General Abrams Gives No Clues To Troop Plans

WASHINGTON (AP) — Gen. Creighton W. Abrams has departed Washington for Vietnam, leaving behind virtually no clues as to future U.S. troop plans or to his own military future.

"I look for more fighting," was the clipped response of the deputy U.S. commander in Vietnam when asked to forecast the future course of the war.

And he dismissed as tersely the speculation that he's in line to succeed Gen. William C.

Gen. Creighton Adams

Westmoreland when the U.S. commander steps down to become Army chief of staff by July 2.

"The White House speaks for itself," said the 53-year-old Army general in referring newsmen to a White House refusal to comment on Westmoreland's successor.

Pacification Setback

His comments came in a plane interview shortly before he flew out of Andrews Air Force Base for Vietnam. Like his two days of secrecy-cloaked talks with President Johnson and other U.S. officials in Washington, details of his return trip weren't disclosed.

The White House has said these talks did not involve Abrams' future and maintains no decision is imminent on war zone manpower changes.

In an interview with The Associated Press, the man in

charge of the pacification program in South Vietnam conceded the Viet Cong handed the program a major setback with their Tet offensive.

But Ambassador Robert W. Komer, predicted the South Vietnamese will recoup their losses faster than the enemy does its.

Name Peace-Seeker?

Chairman J. W. Fulbright of the Senate Foreign Relations Committee meanwhile introduced a resolution urging President Johnson to create a Cabinet-level post to "deal exclusively with the question of ending the war in Vietnam."

The proposal by the Arkansas Democrat and fervent war-policy critic would not be binding on Johnson if the Senate adopts it.

A committee spokesman said the resolution had been routinely sent to the State Department for comment. One source suggested administration and public reaction to the plan would determine whether committee hearings on it would be scheduled.

Fulbright did not suggest the name of anyone to fill the proposed peace-seeker post, but called for Johnson to appoint "a man of high international stature who would not have been previously identified with any school of thought" on Vietnam.

No Nuclear Arms

The appointee would have "sole responsibility for conducting negotiations and full authority to take the initiative in promoting such negotiations," Fulbright said.

Johnson already has rejected as encroachment on his authority an earlier suggestion that he name a blue-ribbon panel to recommend changes in U.S. policy in Vietnam.

In New York, special presidential assistant John P. Roche said U.S. use of tactical nuclear weapons in Vietnam "is inconceivable under the present administration."

The statement by the White House aide and former Brandeis University professor appeared in the administration's strongest rebuttal yet of speculation such weapons might be used if necessary to save embattled Marines at Khe Sanh.

Roche told a briefing for U.S.-based foreign correspondents that the war doesn't represent "a major commitment by the United States. It's not a major war. It's a border war."

Nahma Twp. Clerk

LEAD ROLES in the Players de Noc production of "My Fair Lady" scheduled April 22, 23, 25, 26 and 27 at the Escanaba Area High School auditorium will be played by, from left, Richard Hanson, Lorna Benson and Charles L. Tooman. Tickets go on sale to the general public Monday. (Daily Press Photo)

'My Fair Lady' Features Three County Residents

The production of "My Fair Lady" by Players de Noc will feature three well-known residents of Delta County in leading roles — Richard Hanson of Wells, Mrs. Kenneth (Lorna) Benson of Gladstone and Charles L. Tooman of Escanaba.

The Broadway musical is scheduled April 22, 23, 25, 26 and 27 at the Escanaba Area High School auditorium under the direction of John A. Romstad and Mrs. Marie K. Peterson.

Hanson will play Prof. Henry Higgins, the well-bred Englishman who teaches phonetics; Mrs. Benson will portray Eliza Doolittle, the lovable Cockney flower girl who comes to Higgins to learn to "speak proper English," and Tooman is cast in the role of Col. Hugh Pickering, a British officer interested in Indian dialects who has come to London to meet Higgins.

All three have previously appeared in Players de Noc productions.

Native Of Minnesota

Hanson, a native of Minnesota, came to Michigan in 1963. He has appeared in seven Players' productions.

A carpenter by trade, Hanson is often found working on sets when not acting. This is his second year as president of the Players de Noc.

He is also a member of the Escanaba Area Board of Education and is an active member of Bethany Lutheran Church. He is married and has two children, Pam 11, and Susan 9.

Mrs. Benson, the former Lorna King, graduated from Escanaba High School in 1959 and attended Bay de Noc Community College. Her husband, Ken, is an elementary music teacher in Gladstone, who at one time directed Orpheus and the Barbershoppers. He is also in "My Fair Lady," singing in the Servants Chorus and Quartet.

The Bensons have one child, Becca, 1 1/2. Lorna is a member of the First United Presbyterian Church choir, Escanaba. The Bensons reside at 721 Dakota Ave., Gladstone.

Tooman's drama background includes both acting and directing in college, high school and community theaters as well as with Players de Noc.

He is married and has two children, Jody 4, and Steven 6, and lives at 215 Ogden Ave.

He is married and has two children, Jody 4, and Steven 6, and lives at 215 Ogden Ave.

Mesquite, Raritan Join To Open Shipping Lanes

The U. S. Coast Guard cutter Mesquite and the harbor tug Raritan, the same pair of boats used this winter in ice breaking tests in Green Bay off Fuller Park, moved into Little Bay de Noc in tandem early this morning to open shipping lanes in harbor ice.

By noon, both boats had moved into the upper part of the bay near Gladstone.

Neither vessel encountered any apparent difficulty in the ice, which has been softened and honeycombed by mild weather.

A Coast Guard spokesman said that at least one of the

vessels would remain in the area to take Coast Guardsmen to duty at Minneapolis Shoals light Thursday.

First commercial vessels scheduled into the harbor are the Inland Steel Co. iron ore carriers E. L. Ryerson and L. E. Block, both expected to load iron ore at the Chicago & North Western dock Sunday.

C&NW crews making repairs for the final season on the old pocket-type dock are expected to complete work Friday. A new conveyor-type dock is planned for the 1969 shipping season.

Last year, the first commercial vessel into the harbor was the Ryerson on April 7. The opening of the harbor today by the two Coast Guard boats is the earliest in several years.

The Mesquite, from Sturgeon Bay, and the Raritan, out of Milwaukee, worked for over a week last month in tests of a new ice plow in the Green Bay area.

The plow was mounted on the bow of the Raritan, a tug which was designed with ice-breaking capabilities. Design of the plow featured a new idea in ice breaking, running the tip of the plow beneath the ice and breaking it upward.

Conventional techniques were used today, however, with both ships cruising atop the ice and breaking it down.

Sheriff's officers said Reno was arrested about 8:10 p.m. Tuesday in Garden. In addition to the fine and costs, Reno's driver's license was automatically suspended.

Eight juvenile boys between the ages of 14 and 15 have been cited to Probate Court by Delta County Sheriff's officers for the theft of some 465 square feet of paneling and porch deck lumber from the Early American Fence Co., Bay View.

Officers said the boys took the lumber over a period of about two weeks and planned construction of a camp in the Pioneer Trail Park area.

Pueblo Letters Called 'Phonies'

NEW YORK (AP) — Wearing what his wife calls his "go to hell grin," Fireman Michael O'Bannon posed next to a ping pong table somewhere in North Korea with seven fellow captured crewmen of the U.S.S. Pueblo.

The picture and a letter from the Navy man arrived recently at the O'Bannon home in Beaverton, Ore.,—one of a number of such letters coming to crewmen's families and high officials in the United States.

Mrs. O'Bannon thinks the letter is phony. And many other relatives of the Americans who were captured two months ago say that the letters they have received simply do not ring true.

Style Unnatural

Mrs. O'Bannon said the grin on her husband's face was the one he "always wore when I wanted him to do something he didn't want to do." She said she is pretty sure that the man is her husband and that he's wearing his "go to hell grin."

She said the letter was written in an unnatural style. He refers to her as "My dearest Kay," which she says he never would have written and to his parents as "the family" instead of the usual "Mom and Pop."

A recent North Korean broadcast attributed to Angelo Strano, a crewman from Hartford, Conn., a letter to President Johnson saying "I can see no reason why the government of the United States should not officially apologize to the Democratic People's Republic of Korea and assure them that it will not happen again."

"I can't see Angelo saying that," said Vincenzo Strano, Angelo's father.

Muskegon Downs Columbus Sextet

MUSKEGON (AP)—The Muskegon Mohawks rallied from a 4-1 deficit to take a 5-4 victory over Columbus Wednesday night in the first game of their International Hockey League series A semifinal playoffs.

The teams, in a best-of-seven series, meet again Friday in Port Huron, tonight Dayton is at Fort Wayne in the series B playoffs.

Columbus scored all its goals in the second period to take a 4-1 lead. Nelson Tremblay made two of the Checkers goals and teammates Ken Saunders and Chuck Kelly added one each.

Gary Ford scored Muskegon's second goal with eight seconds to go in the second period. Ford, Ken Kelly and Pierre LeBlanc made third period goals for Muskegon.

Bibbs Selected Coach Of Year

JACKSON (AP)—Jim Bibbs, Ecorse High team won the Michigan Class C high school championship last year, has been named track coach of the year by the Michigan High School Coaches Association.

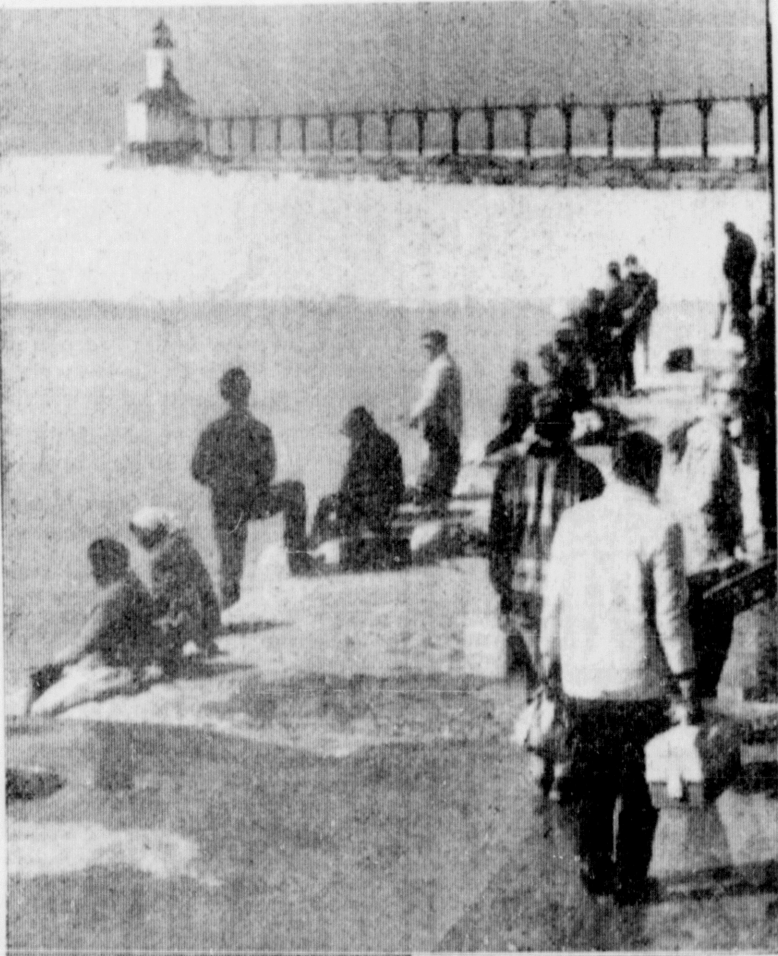

Bibbs' team also won the Spartan Relays, the Huron Relays and a regional title last spring. In four years, his teams have won 31 dual meets and lost only four.

Maroon Star Picked On All-State Squad

By The Associated Press
Pat Miller, Menominee's sensational all-around athlete, dominates the 1968 Class B All-State High School basketball team selected by The Associated Press.

The 6-foot-4, 185-pound senior was the only unanimous selection of Michigan AP sports writers.

Miller, who holds every Menominee scoring record, averaged 25.2 points per game on a 48.8 per cent floor shooting average. He had only 20 fouls in his first

16 games as the Maroons swept through another unbeaten season before being upset by state champion Willow Run in the tournament semifinals.

The only other repeater from last year's AP squad is Bill Cohrs of Vicksburg, the tallest man on the team at 6-foot-6.

Rounding out the squad are Dave Hart of Willow Run, Art Burgman of Saginaw Buena Vista, Marty Sheedy of Detroit Holy Redeemer, Dennis Brefka of Saginaw Carrollton, Clyde Cushingberry of Romeo, Jim Morton of Otisville-Lakeville, Bob VanLangevelde of Holland Christian and Tom Churma of Lansing O'Rafferty.

Armed Forces Win AAU Crown

DENVER (AP) — The Armed Forces All-Stars built a 14-point second-half lead Wednesday night, then coasted to the AAU Basketball Championship with a 73-69 decision over Spokane, Wash.

Akron, Ohio, defending AAU champion, won third place by romping over San Francisco 92-64.

Both the All-Stars and Spokane used scoring spurts, but the Servicemen started first, and the Northerners played catch up.

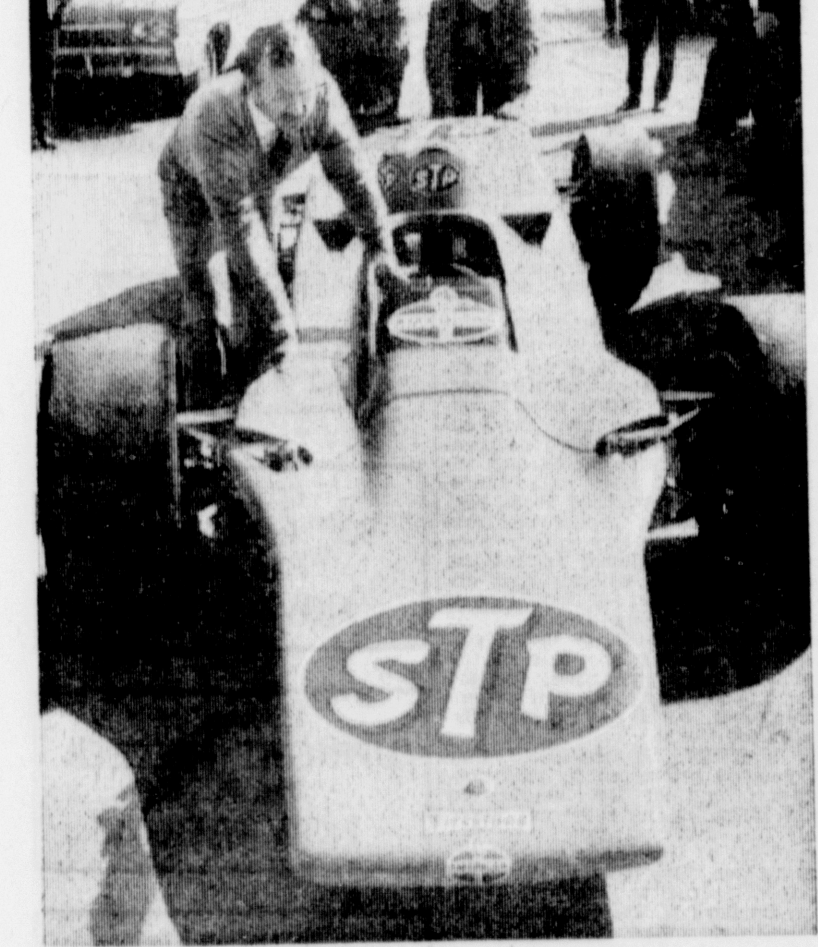

Spokane came no closer than 4-4 in the game and that was short lived as the Armed Forces rifled the nets for a 16-point bulge midway through the half and ended with an intermission lead of 39-32.

A Spokane cold spell opening the second half boosted the Stars to a 49-36 lead. Ray Stein snapped the drought with two baskets and Spokane moved back within six.

Mike Barrett stopped the Spokane drive with three baskets and three free throws. After that the Servicemen played deliberate with their shooting and the closest Spokane could come was four points at the end.

Barrett led all scorers with 28. Rod McDonald paced the Northerners with 18.

Except for a 12-point spurt in the first half which put San Francisco ahead 18-15, Akron led the entire game. Calvin Fowler, Randy Berentz and Jerry Curless then rebounded to pull Akron to a 41-32 halftime margin.

THE NEW STP-LOTUS turbine motor car is steered from the garage area at Indianapolis Motor Speedway, by Lotus auto builder Colin Chapman of London, prior to tire test runs by former world champion Jimmy Clark of Duns, Scotland. The test was delayed for some engine adjustment. Andy Granatelli hopes to enter the car in the 500-mile Memorial Day race. (AP Wirephoto)

Nobody Wants Western Division Hockey Title As Leaders Lose

By The Associated Press
It looks like nobody wants to win the National Hockey League's West Division title.

Given consecutive chances to move into first place in the expansionist West, Los Angeles lost twice, the latest a 5-3 setback to Minnesota Wednesday night.

Philadelphia, tied in points but with two more games to play than L.A., isn't making much headway either. The Flyers lost 3-0 to St. Louis Wednesday.

In other games, Pittsburgh kept its flickering West playoff hopes alive with a 7-4 comeback victory over Oakland and To-

ronto shut out Montreal 6-0 in the only East game played.

Los Angeles jumped in front twice against Minnesota but the North Stars kept coming back, finally taking the lead on a pair of second-period goals by Wayne Connelly.

The loss left L.A. with 71 points — the same number as Philadelphia — and only one regular season game remaining.

Glenn Hall's 73rd career shut-out stalled the Flyers, who have three more games to play. It was the first victory this season for St. Louis over Philadelphia and moved the Blues closer to a playoff berth.

St. Louis could have locked up

fourth place if Oakland had knocked off Pittsburgh and, for awhile, it looked like the Seals would oblige. John Brennen scored two first-period goals and Oakland took a 3-1 lead.

But veterans Al McDonald and Leo Boivin each hit twice as the Penguins came back. The victory left Pittsburgh three points back of St. Louis. The Blues have three games to play and Pittsburgh two.

Murray Oliver scored twice and assisted on another goal as Toronto thumped Montreal. It was a meaningless game for both teams since Montreal already has clinched the East Division title and Toronto is destined to finish fifth.

proved that the little man still has a place in basketball.

Churma, another guard, averaged 20 points for O'Rafferty, which had a 15-6 record. He wound up with a 17.2 scoring average for a three-year varsity career.

Beanballs Fly In Red Sox-Yankee Tilt; Sox Lose 13th Spring Game

By The Associated Press
Everybody's been tagging Boston pitching this spring, but the Red Sox won't turn the other cheek. Not by a long shot.

Beanballs flew at Port Lauderdale, Fla., Wednesday as the American League champs bowed to the New York Yankees 4-2 for their 13th setback in 19 exhibition games.

Dick Williams, the Red Sox' pilot, and Coach Eddie Popowski were ejected in an eighth-inning ruckus with umpire Frank Umont after Boston

pitcher Lee Stange clipped the Yankees' Roy White in the back with a fast ball.

Jerry Stephenson, the Red Sox' starter, had hit Bob Cox with a pitch in the sixth and the Yankees' Dale Spier had fired a pitch over Joe Foy's head in the top of the eighth. When White was plunked leading off the bottom of the inning, Umont warned Williams, then tossed him out.

The same clubs staged a free-for-all last June at Yankee Stadium after Boston ace Jim Lonborg and New York's Thad Tillotson took turns low-bridging the hitters.

While the Red Sox' troubles continued, St. Louis' world champions buried the Chicago White Sox 8-2 at Sarasota, Fla., for their 12th victory in 18 starts. Lou Brock's second spring homer paced a 17-hit Cardinal attack.

At Orlando, Fla., Harmon Killebrew's 11th inning homer gave the Minnesota Twins a 1-0 victory over Baltimore. Killebrew blasted his fifth exhibition homer off Gene Brabender, the fourth Baltimore pitcher. Jim Merritt, Al Worthington, Ron Perranoski and Jim Roland stopped the Orioles on six hits.

Sam McDowell yielded just one hit in a six-inning stint as the Cleveland Indians trimmed California 7-3 at El Paso, Tex. Philadelphia blanked Los Angeles 4-0 at Clearwater, Fla., behind the six-hit pitching of Chris Short and Gary Wagner.

Tigers Anxious To Open League Pennant Battle

LAKELAND, Fla. (AP) — Manager Mayo Smith says his Detroit Tigers are ready to start the American League pennant race.

"They're starting to play a little indifferently," says Smith after his team dropped a 4-2 decision to the Oakland Athletics Wednesday. "It's about that time of spring. They want to get the exhibition schedule over with and are anxious to start the regular season."

The Tigers open the American League race April 9 against the champion Boston Red Sox at Detroit.

But Smith must still cut nine players from the 34-man spring roster in order to get down to the American League player limit of 25 by opening day.

Oakland jumped on Detroit starter and loser Joe Sparna for three runs in the first two innings in handing the Tigers their 11th exhibition loss against nine victories.

Al Kaline, who had three hits in raising his spring batting average to .355, scored the first Detroit run on Jim Northrup's double in the first inning. The other Tiger run came in the ninth on Ray Oyler's double after pinch hitter Mickey Stanley had walked.

Oakland starter Jim "Cat-

fish" Hunter went the first five innings to pick up the victory.

Rookie Jon Warden and Tom Timmerman finished up for Detroit. Warden pitched three shutout innings, giving up three hits and a walk. He fanned two.

"I like the way Warden is throwing," said Smith. "He's been looking good."

The Tigers met the Cincinnati Reds at nearby Tampa, Fla., today. Earl Wilson, with a 3-1 spring record, started for Detroit.

Hockey

By The Associated Press
Chicago's victory kept the Lakers from taking an impregnable 3-0 lead in the best-of-7 series and put Los Angeles ahead 2-1 instead.

Philadelphia's late heroics kept New York from pulling ahead in their rugged series, which returns to New York Saturday. The 76ers are now ahead two games to one.

The Knicks fought back from 10 points behind in the fourth period to take a lead near the end of regulation time, but a basket by Chet Walker sent the game into overtime. Again New York took the lead and seemed safely ahead by three points with little time left.

But Hal Greer stole a pass and scored with 16 seconds left, then stole the in-bounds pass and Matt Guokas was fouled with six seconds left. He made the free throw and the game went into another overtime. Walker put the 76ers ahead for good and scored six points in the final extra period.

Cazzie Russell scored 40 points for the Knicks while Walker had 32 for Philadelphia. Flynn Robinson's 41 points, 20 coming in the second quarter,

Hayes Signs Pro Contract

SAN DIEGO (AP) — With acquisition of Elvin Hayes of the San Diego Rockets, the National Basketball Association wins an important round in the fight with the new American Basketball Association for talent.

Houston's "Big E" signed a contract Wednesday with the NBA Rockets. Although terms of the "multiple-year" pact weren't announced, it is believed to involve about \$440,000 over a four-year period.

The Rockets moved quickly to sign the 6-foot-9 1/2 performer, named College Player-of-the-Year. They won a coin flip Monday with Baltimore for the right to make the NBA's No. 1 draft selection.

Next comes round two of the NBA-ABA signing battle. It involves the Baltimore Bullets, last place team in the NBA's Eastern Division. The signing of Hayes frees the Bullets to seek the No. 2 choice. Seattle will draft third.

The Houston Mavericks have draft rights to Hayes in the ABA. But the 22-year-old star was seated at the Rocket bargaining table while the Mavericks made a \$500,000 offer Tuesday.

Hayes said earlier he wanted \$300,000 for three years.

The 235-pound Hayes reiterated at a news conference that he chose San Diego because he

Ryun Injured, Pulls Muscle

TOPEKA, Kan. (AP) — Jim Ryun, world record holder in the mile run, is on crutches to rest his left leg after an injury diagnosed by a physician as a pulled hamstring.

The University of Kansas star will compete in the Texas Relays in Austin next month, however, meet director Jack Patterson announced Wednesday.

Ryun is scheduled to anchor the Kansas distance medley relay team on April 5 and to run the Jefferson Thompson Mile the next afternoon.

Ryun said his doctor, an orthopedic specialist, told him Wednesday it is too early to tell how badly his leg is injured.

Ryun said the doctor wanted him to stay on crutches until he sees him again Friday morning, but that he can start exercising his leg a little today.

Lutheran Women Capture Crown

The women's dartball team of the Calvary Lutheran Church of Rapid River defeated the women of Christ the King 1 to capture the league championship of the Women's Church Dartball League.

Trophies for the two teams will be awarded at the annual banquet to be held at Memorial Methodist Church in Gladstone on May 4. Trophies for tournament and batting champions will be awarded at the same time.

The tournament is scheduled to begin at the Bethany Lutheran Church in Escanaba on April 9.

Tickets for the banquet can be purchased from Lena DeVore at the Bethany Lutheran Church on April 9. Team members are to bring their own lunch and coffee will be provided by the league.

Schedule, April 9:
Bethany 2 vs. Central Methodist at Bethany Lutheran.
Christ the King 1 vs. Memorial Methodist at Bethany Lutheran.
Presbyterian vs. Calvary Lutheran at Presbyterian.
Lutheran vs. R. L. D. S. 1 at Presbyterian.
Immanuel vs. Christ the King 2 at Immanuel.

Vidmer Wins 68 Big Ten Medal

ANN ARBOR (AP)—Quarterback Dick Vidmer of the University of Michigan football team is the 1968 winner of the Big Ten Conference Medal.

The medal, presented annually at each Big Ten school, honors the student demonstrating the greatest proficiency in scholarship and athletics.

Vidmer, of Greensburg, Pa., graduated at the end of the winter term with a four-year academic average of 3.29, well above a "B" grade.

He starred as a quarterback in the 1966 season when he teamed with All-America end Jack Clancy and tied the Big Ten record for throwing touchdowns passes, with 10. He was granted an extra year of eligibility because of a 1965 injury and shared the quarterbacking duties last fall with Dennis Brown.

HN Booster Club To Hold Meeting

The Holy Name Booster Club will hold its regular monthly meeting in the multipurpose room at Holy Name High School on Thursday, April 3.

The nomination and election of officers is high on the agenda. Skerbeck's Carnival will also be discussed.

Pistons Defeat Celtics; Take 2-1 Playoff Lead

By The Associated Press
The Detroit Pistons are rapidly gaining a reputation as the giant killer in the National Basketball Association's Eastern Division playoffs.

To have predicted only a week ago that the Pistons could have taken a 2-1 lead over the Boston Celtics in the playoffs would have been foolhardy.

But the Pistons who beat Boston only twice in the regular season, drubbed the Celtics, 109-98, Wednesday night in the third game of the best-of-seven semifinal series.

Even more remarkable, the triumph came at Boston where the Pistons rallied from a 52-48 halftime deficit and outscored the Celtics, 33-15, in the third period, when Dave Bing and Eddie Miles each got 10 points.

Then Jimmy Walker took over and scored 14 points in the final period to keep the Celtics away. Bing led the Pistons with 27, while John Havlicek topped Boston with 23.

In other games, the Chicago Bulls won a late reprieve by beating Los Angeles, 104, 96, in the Western Division and the Philadelphia 76ers outlasted New York, 138-132 in double overtime.

Chicago's victory kept the Lakers from taking an impregnable 3-0 lead in the best-of-7 series and put Los Angeles ahead 2-1 instead.

Philadelphia's late heroics kept New York from pulling ahead in their rugged series, which returns to New York Saturday. The 76ers are now ahead two games to one.

The Knicks fought back from 10 points behind in the fourth period to take a lead near the end of regulation time, but a basket by Chet Walker sent the game into overtime. Again New York took the lead and seemed safely ahead by three points with little time left.

But Hal Greer stole a pass and scored with 16 seconds left, then stole the in-bounds pass and Matt Guokas was fouled with six seconds left. He made the free throw and the game went into another overtime. Walker put the 76ers ahead for good and scored six points in the final extra period.

Cazzie Russell scored 40 points for the Knicks while Walker had 32 for Philadelphia. Flynn Robinson's 41 points, 20 coming in the second quarter,

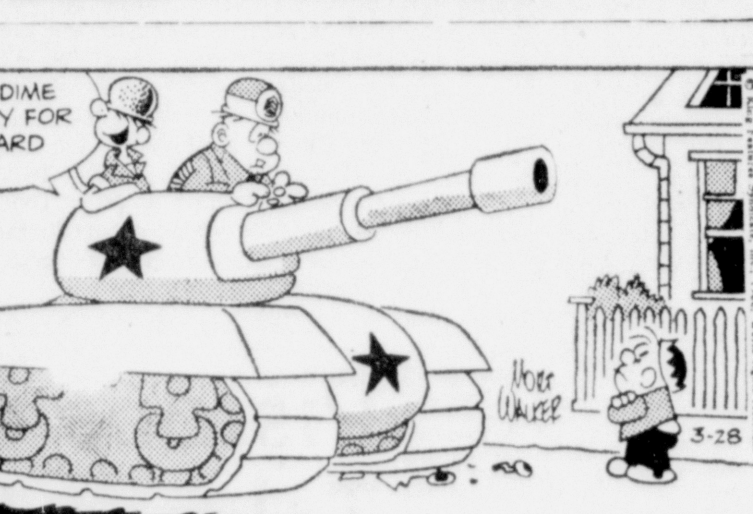

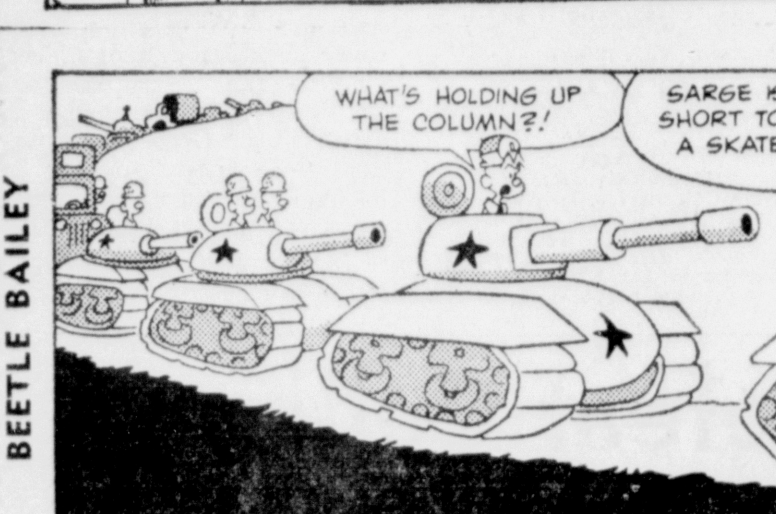

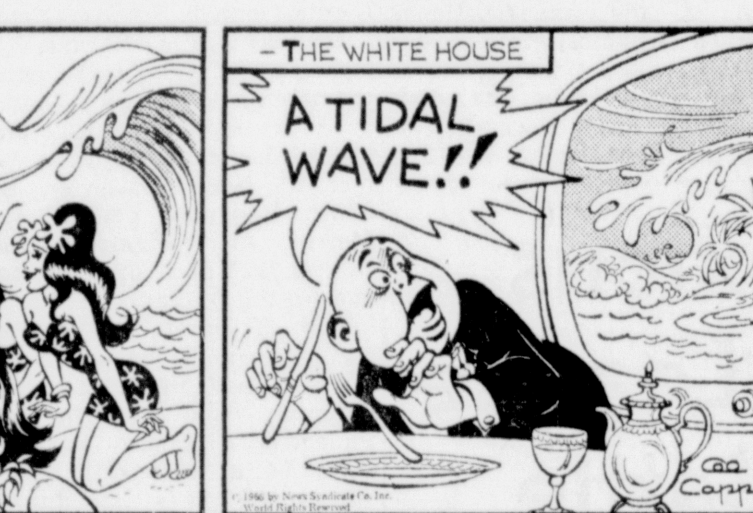

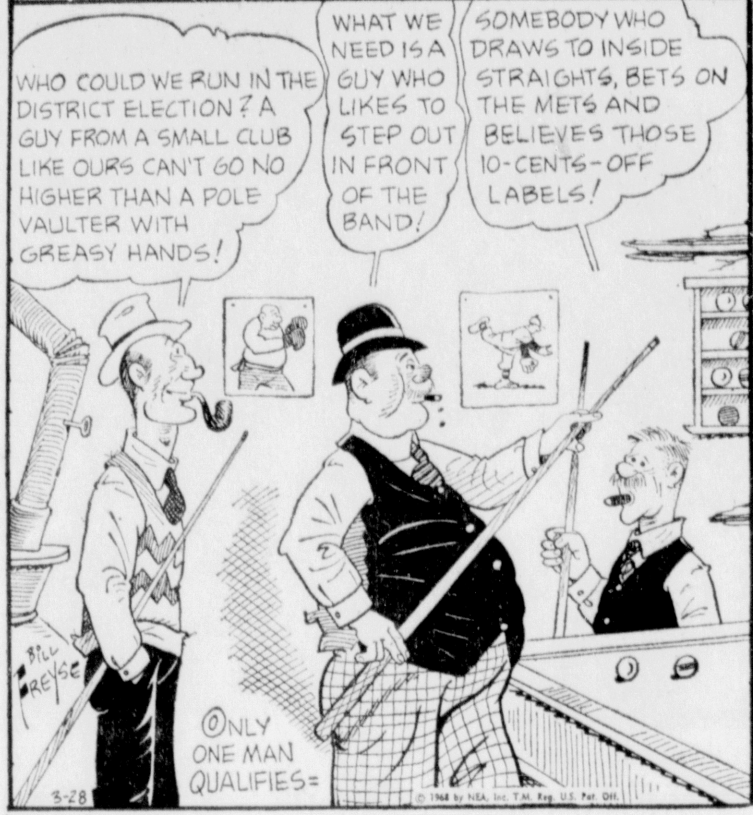

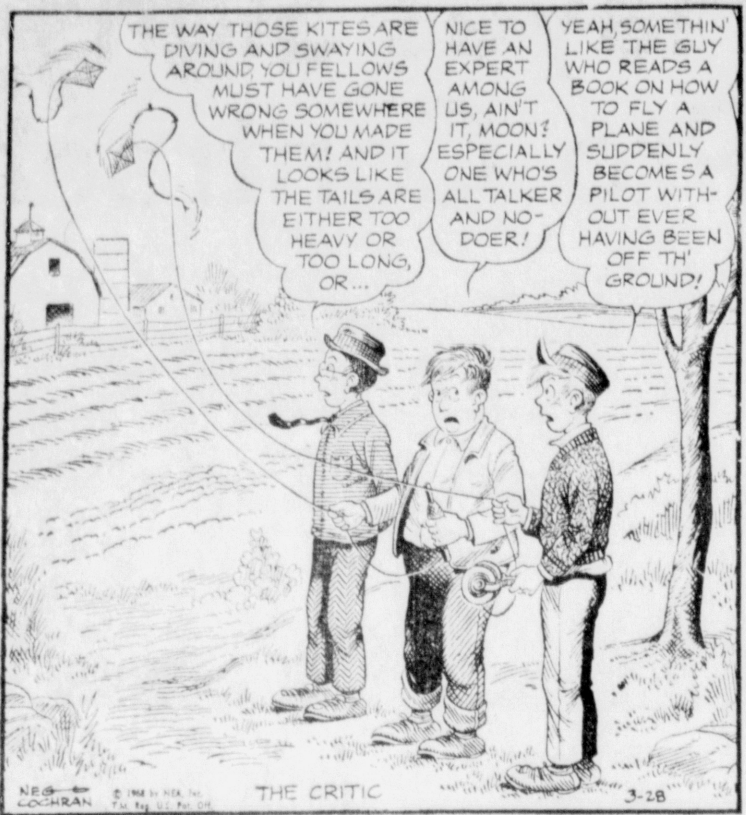

led the Bulls to their triumph. It was only the second time this season Chicago has beaten the Lakers. Jerry West had 32

Cubs Scout Pack
Inducts 47 Boys

Newly-organized Cub Scout Pack 417 of the Franklin School inducted 47 boys and parents into Cub Scouting at a candlelight ceremony Tuesday.

Boys received Bob Cat pins from their parents, who had been presented the pins by William Elliott, advancement chairman.

Officers of the Pack are Lawrence Curran, chairman; Alan Flagstad, vice chairman; John Slapp, secretary; Ernest Belanger, treasurer; Elliott, advancement chairman; Flagstad, cubmaster; Curran, assistant cubmaster; Louis Diedrich, institutional representative; and Al Holtien, public relations chairman.

Den mothers and Den leaders are Flagstad, Mrs. John Slapp, Dr. William Savard, Mrs. Delore Myers, James Dann and Mike Barnhart.

Boys inducted into the pack were: Brent Belander, Kenneth Flagstad, Shaw Anger, Billy Elliott, Patrick Nelson, Mark Johnson, Scott Slapp, James Gunville, David Diedrich, Brennan VanEffen, Kevin Curran, Jeffrey Larche, Christopher Londo, Ralph Siebert, William Savard, John McDonough, Phillip McCotter, Sepehen Miller, John Helmer, Matt Sviland;

John Myers, Herbert Myers, David Rusch, Michael Blodgett, Patrick Feldhusen, Jerry Grenfell, Paul Risberg, John Sanckovitch, David Dann, Robert Dieckrich, Glenn Beauvois, Mark Beveridge, Larry Bowman, Jim Carlson, Scott Laviolette, Pat DeWar, John Stacey, George Beltrame, Michael Smith, Paul McKenzie, Kent Holtien, Raymond Beaudreau, Mike Sundstrom, David Osby, John Houle and Tim VanEffen.

Greek Regime
Limits News Of
Bobby Activity

ATHENS (AP) — The Greek regime has ordered a crackdown to limit news on the activities of U.S. Sen. Robert F. Kennedy, D-N.Y.

The censor's office barred the use in Greek newspapers of any photographs of Kennedy, who is bidding for the Democratic presidential nomination.

Editors were also advised to play down their coverage of Kennedy. They were told they must keep Kennedy stories on the inside pages and limit the size of the headlines.

The censor's orders were given verbally and without explanation.

The Brussels sprout gets its name from Brussels, Belgium, where it was common as early as 1821.

RE-ELECT
CECIL B. CHASE

Dale Helms

Helms To Star
In April Play
At Ann Arbor

Dale Helms, son of Mr. and Mrs. Dorwin S. Helms, 920 5th Ave. S., and a student at the University of Michigan, has been selected by the Ann Arbor Civic Theatre to play the lead role of "Woody" in the production of "Finnian's Rainbow" to be staged April 10-13 in Ann Arbor.

Helms is a 1965 graduate of Escanaba Area High School and is majoring in Spanish at the University with minors in speech and theater.

In Escanaba, he played leads in the productions of "Okla-homa" and "South Pacific" produced by the Area High School music department.

On the U-M campus, he has participated in various workshop productions in the speech department, last year had a feature role in the Gilbert & Sullivan production of "The Mikado," and also had a feature role this spring in "Jude."

In 1964, he apprenticed at the Keweenaw Playhouse, appearing in musicals and children's plays.

The Ann Arbor Civic Theatre is a community drama organization and is not associated with the university.

Bark River
Smelt Fry

The Bark River Volunteer Fire Department is sponsoring their 18th annual smelt fry Friday, March 29. Serving will be from 5:30 to 9:30 p.m.

LEGAL NOTICES

Canada Lynx — Upper Peninsula The Conservation Commission, under Act 220, P.A. 1925, as amended, orders that, all orders to the contrary notwithstanding, for five years from April first, 1967, it shall be unlawful to take lynxes at any time in the Upper Peninsula.

Approved March 10, 1967.
17770—Mar. 28, 1968

• Sincerity
• Integrity
• Honesty

... are campaign slogans ... BUT if we did not believe a candidate had these qualities, he would or should not be considered. Above all these, he must have the capability and public service experience. Capability is well personified in the person of Cecil B. Chase, and his experience in public service has prepared him well for your councilman.

Card of Thanks

Anderson

I would like to thank Dr. Gordon and all the staff at St. Francis Hospital for the splendid care I received while being a patient there. Thanks also to the friends who were so nice to me during my convalescence. Being so far from home, I greatly appreciated their kindness. Thanks to Rev. Selberg for his prayers and for the prayers of my roommates relatives. I shall never forget them.

Mrs. Mary Anderson
Box 23
Rockland, Michigan 49960

Ogren

I want to thank the Bark River fire department and all who volunteered to help put out the fire at my farm.

I Thank You All
Ragnar Ogren

LEGAL NOTICES

5929 Order to Show Cause IN THE CIRCUIT COURT FOR THE COUNTY OF DELTA IN THE MATTER OF THE VOLUNTARY DISSOLUTION OF ALLTOWN DISTRIBUTORS, INC., a Michigan corporation, UPON PETITION OF THE BOARD OF DIRECTORS THEREOF. ORDER TO SHOW CAUSE ON COMPLAINT FOR VOLUNTARY DISSOLUTION; RESTRAINING ORDER AGAINST COMMENCEMENT OF ACTIONS OR ENFORCEMENT OF LIENS; ORDER LIMITING TIME FOR FILING OF ANSWERS TO COMPLAINT. AT A SPECIAL SESSION OF SAID COURT, held at the Court-house in the County Building in the City of Marquette, Michigan, this 12th day of March, 1968. PRESENT: HONORABLE BERNARD H. DAVIDSON, Circuit Judge.

IT IS ORDERED, that all persons interested in the property and assets of ALLTOWN DISTRIBUTORS, INC., a Michigan corporation, show cause, if any they have, why the said ALLTOWN DISTRIBUTORS, INC., a Michigan corporation, should not be dissolved in accordance with the prayer of said Complaint, before this Court on April 12, 1968, at 3:00 p.m. in the afternoon of the said day, or as soon thereafter as counsel may be heard.

IT IS FURTHER ORDERED, that all persons interested in said corporation show cause, if any they may have, why a Permanent Receiver should not be appointed for said corporation on the date to show Cause, and if it is.

FURTHER ORDERED, that a copy hereof shall be served by mail upon all creditors and stockholders of ALLTOWN DISTRIBUTORS, INC., a Michigan corporation, not less than thirty (30) days before the date of said hearing, and a copy of this Order shall be published once each week for three successive weeks in the Escanaba Daily Press, a newspaper circulated in the City of Escanaba, County of Delta, State of Michigan, and such publication shall commence with the week beginning Monday, March 11, 1968.

IT IS FURTHER ORDERED, that all persons interested in said corporation and in the hearing to show Cause, if any they may have, shall file their Answers to the Complaint of the above said directors no less than ten (10) days prior, to-wit: April 2, 1968. Bernard H. Davidson
Circuit Judge

ANTIQUE Due to lack of space, I'm advertising several choice pieces of antique furniture that I have acquired recently.

- Solid Walnut Chest, three large and two small drawers. Perfect white and black marble top.
- Solid Walnut three drawer dresser has two jewelry compartments on each side of the top.
- Solid Walnut gate leg table, deep drop leaves, top newly refinished.
- Four lovely Victorian chairs with hand needle point seats.
- Four guest chairs also a Mr. & Mrs. pair, hand carved.
- Either of these chests are suitable for dining room or living room pieces.
- Small Oak desk slanted drop front.
- Pine Dresser — with a swinging small mirror. These are both refinished.
- Oak Commode, four shelf bric-a-brac has a bamboo trim.
- Two pine chairs, one cane-seat, other a primitive plank-seat all refinished.

2-Year Goal Set On Church Unity

By GEORGE W. CORNELL

DAYTON, Ohio (AP) — Stepping up their drive for unification, leaders of 10 Protestant denominations aimed today to have a specific plan of union ready in two years—and sooner if possible.

"This puts us in high gear," said the Rev. Dr. David G. Colwell of Seattle, chairman of the consultation on church union.

The action moved the project out of the exploratory phase into the concrete process of carrying it out—what one churchman called "the nuts and bolts stage."

Brushing aside earlier expectations that the step would be deferred for further preliminary studies, delegates voted Wednesday night to launch immediately the blueprinting of a united church structure, and fixed the time limit for doing it.

"What they're saying here is

A REAR-END COLLISION involving two tractor-trailers resulted in this mess along I 75 near Flint. One of the trucks spilled part of its cargo of nails on the highway and traffic was held up until the peril to tires was cleared away. There were no serious injuries. (AP Wirephoto)

Car Kills Tot

LANSING (AP) — Randy Wickerham, 18 months, was killed outside his home in Lansing Tuesday when a car ran over him.

Police said the youth was in front of a car used by a visitor who was leaving the Wickerham home. Officers said the visitor went around the rear of the car and got in without seeing the boy.

VOTERS OF ESCANABA

At this time I would like to say to the voters of Escanaba, that on April 1st, you are going to the polls to elect three leaders that will represent you in your City affairs.

I would like to give you my personal thoughts of the qualities it takes to be a leader and not a follower.

1. Confidence — If a leader does not believe in himself, no one else will.
2. Energy — A leader must be willing to do everything he asks of his followers, and more.
3. Timing — This is a combination of alertness imagination, and foresight.
4. Clarity — A leader must be able to reason logically, weigh alternatives, make decisions, and then convey his thoughts clearly.
5. Courage — This is the ability to hang on five minutes longer and also telling the people the truth, even when the truth is frightful.
6. Boldness — This characteristic reveals itself in a willingness to take chances and despises the thought of failure.
7. Concern — People never follow anyone unless they feel that he really cares about them and their problems.
8. Faith — A leader must believe in his people, as well as in the City affairs in which he is leading them.

When you Voters of Escanaba go to the polls April 1st, think about these characteristics of a leader before you Vote.

Francis (Bill) Lancour
Candidate for City Council

Mauritius, Free But Future Dim

PORT LOUIS, Mauritius (AP) — Newly independent Mauritius faces a future only slightly brighter than that of the dodo bird which became extinct here 250 years ago.

The island in the middle of the Indian Ocean is overpopulated and depends entirely on sugar cane. It suffers sleazy politics, bitter racial and religious feuds, resentful satellite islands and seems likely to become a minor pawn in international power politics.

The Soviet Union is reported interested in this island 1,500 miles off Africa for space satellite tracking. The United States bases an astronaut recovery team in Port Louis during manned space shots. Satellites launched from Cape Kennedy reach orbit over the Indian Ocean.

With Britain's planned withdrawal east of Suez, the Soviets may also be interested in Mauritius as a base for warships or a fishing fleet.

Britain studied and then dropped plans for a British-American naval base on Diego Garcia Island, a Mauritius dependency 1,000 miles north.

London and Port Louis signed a six-year mutual defense pact which permits British warships and planes to use Mauritius. Under the agreement Britain on request will provide troops to quell unrest in Mauritius.

Unemployment is estimated at about 20 per cent.

With its polyglot population and one-crop economy, Mauritius needs strong leadership to make progress. But islanders are bitterly divided along racial and religious lines and politicking is preferred to meeting problems head on.

Replace Elms

IONIA (AP) — Residents of Ionia are taking part in a program to replace diseased Elm trees in the city by helping purchase 200 shade trees. Voluntary contributions of \$12 each cover the cost of one tree and the planting by city workers. City Council authorized the purchase of the trees which will be planted in the street curbsides.

Only a male can succeed to the throne of Iran.

Army Generals From Michigan On Retired List

WASHINGTON (AP) — President Johnson has named two Army generals from Michigan to be placed on the retirement list. They are:

Gen. Dwight E. Beach, 59, a native of Chelsea, Mich., to retire Aug. 1 in the grade of general after more than 36 years of active duty. He has been commander in chief, Army, Pacific since September 1966.

Lt. Gen. Lawrence J. Lincoln, 59, born in Harbor Beach, Mich., to retire Aug. 1 after more than 35 years of active service. He has been commanding general of the 4th U.S. Army at Ft. Sam Houston in Texas since July 1967.

Alaska and Hawaii are the only two states which do not border on any other state.

Abdominal Support

FOR LONGER LIFE

Why do widows outnumber widowers? To the traditional team of work and worry, long branded the guilty pair, weight has been so strongly linked by science that dieting, once a woman's pastime, has become a male preoccupation.

And now comes evidence that it isn't just the paunch, but the sag, that brings on the palbearers—that the girdles that give the ladies their girlish figures may also be extending their lives.

The idea that control under shorts, tightening the abdominal muscles and expanding the chest, improve not merely appearance but health isn't exactly a new one. Long before modern drugs came on the market, doctors prescribed abdominal belts for men with heart ailments.

But new research, reported in the Journal of the American Medical Association, tends to show that the new drugs may be no more effective than the old-fashioned belt—or the modern control shorts. Scripps Institute scientists found that "application of the belt previous to exercise reduced or prevented the abnormal postexercise increase in the amplitude of the A-wave of the apex cardiogram," just as popularly-prescribed glyceryl trinitrate.

How do control shorts help the heart? One famed medical writer, Dr. P. J. Steincrohn, writes that it helps the circulation of the blood, and "thereby takes an unnecessary load off the heart. And when one multiplies this by the heartbeats which add up to a few billion in the normal lifetime, one can understand how a simple abdominal support might add years to a man's life."

Many doctors are suggesting the increasingly popular new types of men's control shorts to their patients, and finding back and breathing as well as circulation benefits. The most popular type, Mandate, "underwear that slims," meets the Medical Journal's prescription of a belt "rightly applied to the abdomen in such a manner that it does not disturb the patient's respiration or produce discomfort."
